Community Park Master Planning Process

By Traci Wieland, Metro District Manager

The 2017 and 2021 Community Surveys both identified the need for a restroom at Community Park, to which the District wholeheartedly supports; however, there is more we need to consider than just a restroom when thinking about Community Park. The District acquired this 14-acre area when it signed the Bargain and Sale Deed on Dec. 31, 1991, with a land developer who abandoned plans for housing. Via District funds and several joint venture grants through Jefferson County, the 14-acre park was planned and developed in 1992 and 1993. The park is nearing the 30th anniversary of its development, and it has served an incredible purpose for the community as one of the primary locations of athletics, including soccer and baseball. It is also home to one of the community’s accessible playgrounds and an immensely popular picnic shelter. Its location next to Shaffer Elementary, and along several of the community’s greenbelts, makes it a community hub for diverse activities.

As we look forward to the next 30 years of Community Park, the community will be asked to participate in a master planning process to not only look at how we use the park today, but how our children and grandchildren will use the park for the next 30 years. A master planning process will help us establish a long-range plan to help ensure that community resources are used effectively, and priorities are based on the greatest community benefit. Aligning the community’s vision to the master plan will help to establish a clear plan of action and clearly identify the priorities that helped to establish that plan.

The process will kick off on the evening of Dec. 15, so mark your calendars for an open house at the Ranch House! You’ll have the opportunity to stop by and talk directly with the staff and planners about your needs today and into the future. We’ll be developing a dedicated page on the Ken-Caryl Ranch website and will have updates in the weekly e-news and newspaper, so stay tuned for information about the first meeting and meetings to come. In the meantime, if you have questions about the master planning process or Community Park, feel free to contact me at 303-979-1876, or via email at [traciw@kcranch.org](mailto:traciw@kcranch.org).

# Want to Get Involved? Consider Applying for a Committee!

**Committee Application Deadline is Nov. 29 at 5 p.m.**

Committees are a vital part of managing affairs of the community. Ken-Caryl Ranch is now accepting applications for new committee members for 2023 for the following committees:

- Architectural Committee (1 opening)
- Covenant Committee (2 openings)
- Firewise Committee (# of openings TBD)
- Historical Society (unlimited openings)
- Community Planning Committee (2 openings)
- Open Space Committee (2 openings)

All committees are Master Association committees with the exception of the Community Planning Committee, which is a joint committee of the Master Association and Metropolitan District.

All prospective committee members must apply for committee membership using the Committee Application. The application and additional information about each committee is available on our website at [www.ken-carylranh.org](http://www.ken-carylranh.org). At our website click on the *About Us* tab and then click Committees & Task Forces. If you wish to apply for membership to multiple committees, please submit a separate form for each committee.

If you have any questions about committees, contact KCRMA General Manager Brian Yowell at [briany@kcranch.org](mailto:briany@kcranch.org).

# Master Association Board Adopts 2023 Budget with a \$4 Dues Increase

*By Brian Yowell, Master Association General Manager*

The Ken-Caryl Ranch Master Association Board adopted the 2023 Budget at its Nov. 15 meeting. There will be a \$4 per month dues increase in 2023. The increase is needed for increased operational expenses, fire mitigation efforts and perimeter fence improvements. Approximately \$1 of the monthly dues increase will go toward fire mitigation, including interface mowing, home assessments and woody vegetation removal. Approximately \$3 per month will go toward perimeter fence improvements. The final budget is posted at [www.ken-carylranh.org](http://www.ken-carylranh.org) under the *About Us* tab, then Financials.

If you have any questions or comments, please contact Brian Yowell, Master Association General Manager, at [briany@kcranch.org](mailto:briany@kcranch.org) or 303-979-1876, ext. 113.

◆ OUR COMMUNITY

# KCRMA Park Rangers Spearhead Tree Removal, Dec. 20

As part of the Master Association's commitment to resident safety, fire mitigation efforts and to improve overall community aesthetics, Ken-Caryl's open space staff will oversee the removal of several dead and dying trees at the entrance to the Valley at the intersection of Ken Caryl Ave. and South Valley Road. The work is scheduled for Dec. 20 and is being completed by Splintered Forest LLC.

This project will require a single lane closure into the Valley and has the potential to impact traffic, so residents are encouraged to plan accordingly when traveling to the Valley. The project is expected to be completed over several days, depending on weather and tree conditions.

For questions regarding this project, please contact Open Space Manager Sean Warren at [seanw@kcranch.org](mailto:seanw@kcranch.org), or 303-979-1876, ext. 463.

Watch for Wildlife,  
Avoid Collisions  
During Daylight  
Saving Time

Article Courtesy of Colorado Parks & Wildlife

Changing your clocks with your driving habits during daylight saving time can help prevent wildlife-vehicle collisions. Wildlife experts advise drivers that wildlife is on the move, so be aware, drive with caution and slow down at night.

As drivers set their clocks back an hour for daylight saving, they now experience dusk earlier and witness more wild animals migrating to their wintering habitats during rush-hour traffic on highways.

As the sunlight fades during high-volume commutes, Colorado Parks and Wildlife asks drivers to stay alert and share the roads with wildlife. Autumn

is the peak seasonal mating and migration time for many species, so drivers should watch for wildlife as they begin to experience darker commutes.

The Colorado Department of Transportation also advises motorists to stay vigilant, drive with caution and slow down, as winter storms often push wildlife from the high country into lower elevations.

“With the changing seasons and snow already in the mountains, we are seeing a lot of deer and elk across our highways that motorists need to look out for,” said CPW Assistant Area Wildlife Manager Steve McClung. “It is important for people to adhere to speed limits and remember that many of our highways have reduced speed limits from dusk until dawn to help prevent collisions with wildlife. Drivers should be aware of animals in town, on county roads, and on highways and to keep their eyes on the road and shoulders to help prevent dangerous collisions.”

Don't Leave Your Lunch to the Bears

By Michael Ryan, Park Ranger

The KCRMA Park Ranger staff have started installing food storage lockers at open space campsites. These secure lockers are designed to keep all wildlife, big and small, away from human food. This is part of an ongoing effort by the rangers to keep humans and bears safe while sharing the open space.

To date, the rangers have installed two of six food storage lockers at Bradford campgrounds and the Manor House. Staff expect to install food storage lockers at the remaining campsites at Tin Cup, Silver Cliff, North Hogback and Gothic Overlook in 2023. On some of the more remotely located lockers, you may notice one of the two compartments padlocked. The locked compartments are designated for use by the rangers to store fire suppression equipment and materials.

The food storage lockers are the same as found in national and state parks. To open the locker, simply reach inside to press a metal latch and the door will open. Be sure to close the door and make sure the latch secures properly to store your food items.

When using any of the campsites, please make sure to keep a clean camp and never leave food unattended. Please store all food products, unwashed cooking utensils, and even scented items such as sunscreen, toothpaste and deodorant in the secure food storage bins.

Storing food properly any time you are in the backcountry is important for several reasons:

- Failing to do so risks losing some or all your food to animals, or having your food contaminated by animals that can transmit diseases (mice, birds, squirrels, etc.).
- Improper food storage places you and your fellow campers at risk of physical harm by potentially aggressive animals, and rewards wildlife with food.
- Bears and other animals that become habituated to human food can become a nuisance, returning again and again to popular backcountry camping areas, which can become a threat to campers and residents.

Please pack out all trash and food scraps and do not leave any food or trash in the storage lockers when you depart the campsite. You can dispose of any trash in the bear-proof trash cans at campsites such as Bradford or along streetscape trash cans.

## We're Hiring! Master Association Employment Opportunities!

Are you looking for a fantastic job, close to home? Then, consider working for the Master Association! We are looking to add to our team by hiring a Community Administrator and Communications Administrator.

### Community Administrator

The Master Association is currently hiring for a Community Administrator to maintain a harmonious and desirable community by overseeing enforcement of covenants, managing the architectural review process, and managing community committees and task forces, as assigned. Job duties for this position will also include supporting community events, managing the real-estate transfer process, supporting the General Manager in day-to-day business operations, maintaining and managing KCRMA brand standards and performing various administrative duties for the Ken-Caryl Ranch Master Association.

### Communications Administrator

KCRMA is hiring a part-time Communications Administrator! This position will assist in the daily communications and operations of the Ken-Caryl Ranch Master Association, including managing and supporting classified and display advertisers and advertising initiatives for *Life at Ken-Caryl*, in addition to performing administrative duties in support of the MA's communications directives. The Communications Administrator will also have the unique opportunity to balance their managerial and organizational skills by lending their creative talents to this position!

For more information on these employment opportunities, and to apply, please visit our website at [www.ken-carylranh.org](http://www.ken-carylranh.org) and click on the *About Us* tab, then Employment Opportunities.

## ◆ RANGER FIELD NOTES

## KCR Christmas Tree Sale, Dec. 3: Reservations Required

Get into the holiday spirit with a fresh cut Christmas tree! The annual Christmas Tree Sale will be held at the Dakota Lodge on Saturday, Dec. 3 from 8 a.m. to 12 p.m. A simple reservation system will be used again this year so that everyone can skip the line and enjoy a peaceful Christmas tree experience!

Reservations will be available in 30-minute timeslots. There will be 30 openings for each 30-minute timeslot to provide easier parking and a stress-free space for you and your family to choose your tree.

Rangers will bring out a limited number of trees, so each timeslot will have a good selection of recently cut Douglas Firs. Unlike the trees found in Christmas tree sale lots, these trees are more "natural" in shape, but they will fill your home with traditional Christmas spirit!

Secure your online reservation at [www.ken-carylranh.org](http://www.ken-carylranh.org) by clicking on the *Programs* tab and selecting Special Events from the drop-down menu. There will be plenty of time slots available. Please note that reservations are required; we will not be able to accept walk-ins at the event.

Rangers are accepting donations (cash, check or credit card) in exchange for the trees to offset expenses in the open space program. Limit one tree per family to ensure many families can enjoy this great tradition.

For the annual tree sale, the rangers harvest small diameter trees in the open space to improve wildlife habitat and overall forest health. The removal of the small trees reduces overcrowding and eliminates ladder fuels that can carry fire into a forest canopy. Trees that don't find a home are chipped and made into mulch.

Many thanks to our generous sponsors, residents and realtors Brian Lee, Greg Milano, Amy Bassett, Tara Byrnes and Mike Aden with Colorado Home Realty for their generous sponsorship of this event! The team will be providing hot refreshments and donuts for attendees!

If you have any questions about the Christmas tree sale, contact Park Ranger Supervisor Matt Oven at [matto@kcranch.org](mailto:matto@kcranch.org).

## Cut-Your-Own-Christmas Tree Pilot Project

Cutting a Christmas tree in a national forest is a tradition for many families in our community. By cutting your own tree, you take an active part in managing your national forests! Now you can do it in our community's open space.

The Ken-Caryl Ranch Master Association Open Space Department, Open Space Committee and Board of Directors, in accordance with the Ken-Caryl Ranch Forest Stewardship Plan, has approved a Cut-Your-Own-Christmas Tree Pilot Project as a nice addition to the annual Christmas Tree harvest/sale at Ken-Caryl Ranch.

The pilot project will provide the community with an option to register for a permit, limited to 75 permits, one per family, to hike in the open space and cut a Christmas tree. The cost of the permit is \$10, and all proceeds will go to offsetting Open Space Department expenses.

The goal of the program is to take areas that are not as accessible to bulk forest operations and allow volunteers to cut their own trees in a designated area where regeneration of Douglas Fir

trees is reaching such a height that it begins to act as a ladder fuel for wildfire, generally, over 6 feet tall, and affects forest health due to the density of the amount of trees. Other trees may be found at the sites, including Aspen and Ponderosa Pines, as these trees are not part of the pilot project for removal by residents. The link below will identify Douglas Fir trees in pictures, which are soft, small, needled trees.

Guidelines for the program include the following:

- You must have a valid permit to cut and/or remove Douglas Fir trees in designated areas from Ken-Caryl Ranch open space. Boundaries of the Christmas tree cutting sites will be marked with flagging, "Timber Harvest Boundary" and several trees may have "Do Not Cut" flagging attached.
- You must stay within the designated cutting areas (see maps).
- No topping of Douglas Fir trees - cut to size once the full tree has been felled.
- Cut below lowest live limb - leave stumps no higher than six inches.
- Hand saw only, no gas or electric saws allowed.
- Avoid damage to other trees.
- No vehicles, bikes, or horses are

allowed to transport trees in our open space. This will be for hikers only.

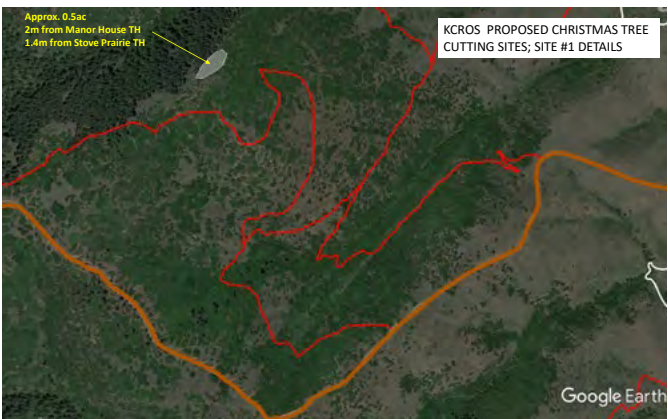

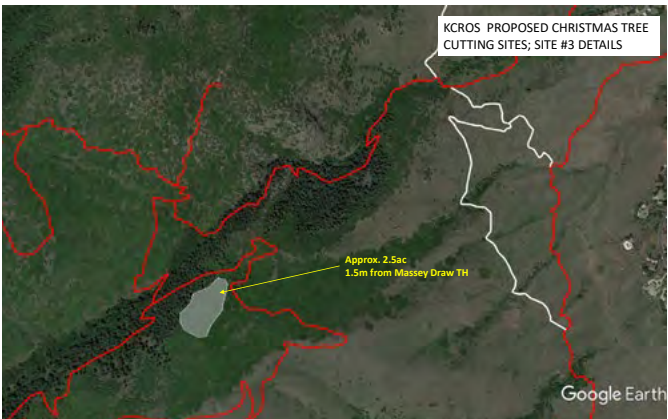

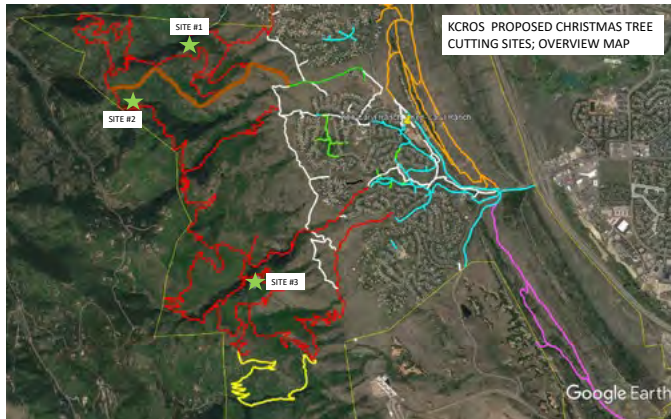

- Tree harvest dates; Nov. 19 – Dec. 15. What a great way to support your Open Space Department and receive a beautiful tree for your holiday!

For more information on the Ken-Caryl Forest Stewardship plan, you can visit our website at <https://ken-carylranh.org/download/forest-stewardship-plan/>.

Permit applications may be purchased via the Open Space tab on our website at [www.ken-carylranh.org](http://www.ken-carylranh.org). More detailed information on the three harvest locations, including a harvest area map and pictures of trees are also available on the *Open Space* page of the website. Questions may be directed to the KCRMA Park Rangers at 303-979-1876, ext. 170.

*NOTE - While cutting and transporting your own Christmas tree from open space is a rewarding and great way to spend time with family, please be aware that it requires intense physical exertion including, walking long distances, hiking off trail, and standing on uneven ground and steep slopes. Be prepared for snowy and icy conditions and cold temperatures. For safety, residents are encouraged to dress in layers and to take plenty of breaks, as needed.*

# Annual Toy Drive Helps Kids in Need

Ken-Caryl residents and realtors Brian Lee, Greg Milano, Amy Bassett and Tara Byrnes of Colorado Home Realty are still accepting donations in support of this year’s Santa Shop’s “A Toy for Every Girl & Boy” toy drive this holiday season! In support of this mission, they are coordinating a toy drive with Ken-Caryl now through Dec. 7. The concept is to provide free, NEW toys to children ages newborn to 11 years old who might not otherwise have gifts to open at Christmas.

Donations will be accepted through Dec. 7, during normal business hours at the Community Center, Monday – Thursday from 6 a.m. – 7 p.m., Friday from 6 a.m. – 5 p.m. and Saturday from 8 a.m. – 4 p.m. Donations may also be dropped off at the Ranch House, Monday through Thursday from 9 a.m. – 4 p.m. Please note that the Ranch House is closed on Fridays.

This year, donations will also be accepted at Brian Lee’s home, located at 2 Golden Aster; Greg Milano’s home, located at 2 Coyote Lane in the North Ranch; Amy Bassett’s home, located at 10 Golden Aster; and Tara Byrnes home at 7 Mountain High Court.

In addition, those interested in donating a new toy to a child can do so by visiting the Denver Santa Claus Shop’s Amazon site to purchase items directly from their wish list at <https://amzn.to/3GvnXJ9>.

Items purchased from this list will be shipped directly to the organization for special delivery to children in need. To donate money, please visit [denversantaclausshop.org/](https://denversantaclausshop.org/) donate and the shop’s elves will get to work purchasing new toys.

“We are honored to help our wonderful community provide toys to less fortunate families,” said Brian, Greg, Amy and Tara.

The Denver Santa Claus Shop provides toys to nearly 13,000 children each year. For more information on this program, please visit the Santa Claus Shop’s website at [denversantaclausshop.org](https://denversantaclausshop.org).

TABOR, ARPA and Developing the Jefferson County Budget

Op-Ed Authors: Commissioners Tracy Kraft-Tharp, Andy Kerr, Lesley Dahlkemper

For some, the county budget may seem like nothing more than a thick pile of indecipherable numbers, detailed charts and spreadsheets. For us, it captures the community's funding priorities and how we best leverage taxpayer dollars to deliver county services. Like you, we must balance our budget every year while funding essential county services such as public safety, roads, bridges and other county operations.

Your voice is a critical part of building a county budget. We've increased ways for residents to share your thinking with us with the help of community meetings, an online budget survey, community budget forums, telephone town halls and our October budget hearing.

County Commissioners gather community feedback and work closely with other elected and appointed officials to develop a budget that prioritizes funding for critical services. The proposed 2023 general fund budget totals \$794 million. For example, it identifies \$155 million for public safety services provided by the sheriff, district attorney and coroner as well as \$83 million for maintenance and repair of county roads and bridges.

Our budget team presented the final budget on Tuesday, Nov. 15 at 8 a.m. in the Board of County Commissioners Hearing Room at 100 Jefferson County Parkway in Golden. To learn more, visit [www.jeffco.us/meetings](http://www.jeffco.us/meetings).

We were prepared to make up to \$20 million in potential budget cuts in the General Fund. The shortfall represents the difference between the growth allowed under TABOR and the increased cost to provide those services. But, thanks to COVID, recovery dollars from the American Rescue Plan Act – or ARPA funding – we temporarily avoided those cuts. ARPA funding is only one-time money. We won't have this option in 2024.

When Jefferson County was awarded \$113 million in ARPA funds, the Jeffco ARPA Team began working with community members and elected officials to determine what is needed most to help the

Jefferson County community and local economy recover from COVID. After collecting extensive input, commissioners approved eight priority areas for ARPA funds. We created a task force for each priority area, then paired each task force with county subject matter experts.

Based on this feedback, Jefferson County will invest ARPA dollars in these one-time investment to:

- Offset economic impacts of the pandemic, including \$1.7 million for a food grant program addressing food insecurity and disruption to local food supply. Provide equitable access to locally produced food, while meeting nutritional and cultural needs.
- Address needs for public health.
- Behavioral Health Vouchers - expands the continuum of care for behavioral health services in Jefferson County through providing \$1 million in funding for a voucher program, allowing eligible residents to access services through private providers as well as Jefferson Center for Mental Health.
- Work with partners to enhance broadband infrastructure - commissioned a study to determine broadband needs in the county. To increase the impact of ARPA funding at the county level, applications will be submitted for IJJA and state grants once priorities have been determined.
- Fund increased staffing in the county jail.
- Improve deputies' retirement package to help with better recruitment and retention.
- Repair and replace critical infrastructure, such as roads and culverts.
- Keep our community safe from wildfire threat, including increasing defensible space, improving forest health, hardening homes and creating two new year-round SLASH collection sites.
- Develop a 15-year housing master plan for Jefferson County with funds from the DOLA Innovative Housing Opportunities Program, combined with county direct ARPA funding. The focus of the master plan is to determine housing needs in the county.

In addition, Jefferson County will leverage the one-time use of ARPA funds to cover a \$20 million revenue shortfall in the General Fund. However, ARPA is only a temporary fix.

Visit our ARPA web page at [www.jeffco.us/ARPA](http://www.jeffco.us/ARPA) to find a new

interactive dashboard that has more information about approved projects.

TABOR Refund Checks

The Taxpayer Bill of Rights (TABOR) requires governments in Colorado to refund revenue collected above the TABOR limit each year or seek voter approval to retain the revenue. For the second year in a row, property taxpayers in Jefferson County received TABOR refund checks in the mail. Taxpayers received these checks because the county garnered more revenue in 2021 than the TABOR revenue limits allowed.

One of the reasons Jefferson County is in its second year of refunding revenue is the unexpected impact of the COVID-19 pandemic. In 2020, when the economy shut down, the county received much less revenue than normal, and this caused the calculation of the TABOR revenue limit to automatically reduce by \$14.5 million. Once that revenue limit is reset, the lower calculation sets the base for any allotted new growth.

The county must refund by law any revenue over this now lower threshold. Last year's total refund was about \$1.5 million. This year's refund is quite a bit more – \$17.3 million. Property taxpayers in the county received a check proportionate to the amount of property taxes paid in 2021. To learn more about TABOR and this year's refund, visit [www.jeffco.us/tabor](http://www.jeffco.us/tabor).

We value your input as we prioritize funding decisions – thanks to everyone who has participated in our budget process - we look forward to hearing more from you!

## Fairy Tale Ending

Helping our furry friends find homes.

Every adorable, adoptable resident of Foothills Animal Shelter lacks only one thing: a happy home. Please consider adopting one of this week's featured pets:

### Mazy (#224076):

Mazy is a 7-year-old, female American Pit Bull Terrier mix. It's almost impossible not to smile when you look at Mazy as her own mile-wide grin is so infectious! Quite the fan favorite at the shelter, she is quick to make new friends and is often found wiggling at the front of her kennel when you approach. She loves her walks and would likely enjoy going on hikes as well.

### Teddy Long Tail (#262855):

Teddy Long Tail is an 8-year-old, male cat. This gentleman is quite the charmer. He loves exploring and would likely appreciate nice vantage points to keep an eye on things. He is quick to solicit pets and make new friends, although he does prefer his space from time to time.

To find out more about Mazy, Teddy Long Tail and other deserving pets in need of good homes, visit [www.FoothillsAnimalShelter.org](http://www.FoothillsAnimalShelter.org).

### ◆ MINDING OUR BUSINESSES

## The Ken-Caryl Small Business Group Reconvenes in December

*By Tara Byrnes, Resident and Realtor*

The Ken-Caryl Small Business Group was formed as a resource for the residents of Ken Caryl's community to showcase small businesses owned and/or operated by its residents. This group began in 2015 with a handful of residents interested in joining with a strong effort to reach out to our community as a resource and to promote their individual businesses. The group will reconvene on Dec. 7 from 8:30-9:30 a.m. at The Reel Factory

Conference Room to provide support and connection for small business owners. The group is scheduled to host monthly meetings that will take place on the first Wednesday of each month. For more information on this group and upcoming meetings, please consider joining our Facebook page at <https://www.facebook.com/groups/kcsmallbusiness!> This page is for anyone who is a part of the Ken-Caryl community and who also owns a business in the area. We are a resource where you can ask questions, get referrals, share information and fine tune best business practices. Questions? Reach out to Tara Byrnes with Colorado Home Realty at 303-895-7494, or Tara@ColoradoHomeRealty.com.

### ◆ FOUNDATION MATTERS

## Ken-Caryl Ranch Foundation Participating in Colorado Gives Day

The Ken-Caryl Ranch Foundation is pleased to announce its participation in this year's Colorado Gives Day on Dec. 6. Colorado Gives Day was founded in 2010 to help support nonprofit organizations across the state and to make it easier for donors to contribute to organizations. Organizations that receive donations through Colorado Gives Day also qualify for certain incentives and rewards. The Ken-Caryl Ranch Foundation was formed in October 1990 with the goal of enhancing the quality of life for the residents of Ken-Caryl Ranch. Its mission is to promote community engagement and solicit donations, which include monetary contributions as well as personal and real estate property from individuals, public and private community organizations. These funds are used in the establishment and development of facilities, (which includes park and open space lands), health and wellness programs, cultural arts, educational programs and recreational programs. The Foundation supports a variety of programs with the donations it receives. Please consider supporting the

Ken-Caryl Ranch Foundation on Colorado Gives Day. Donations may be made through Dec. 6. More information can be found at <https://www.coloradogives.org/organization/KenCarylRanch>.

### ◆ HISTORY IN THE MAKING

## Historical Society Receives Preservation Award

*By Allison Hefner, Editor*

The Red Rocks Chapter of the Daughters of the American Revolution, National Society, (NSDAR) recently awarded the Ken-Caryl Ranch Historical Society with their prestigious Historic Preservation Award in recognition of their excellence in volunteer preservation efforts at the Historical Society's Nov. 9 meeting. NSDAR Regent Lora Adams, along with Historical Society member and Chair of NSDAR's Historic Preservation Committee Dotty Burdick, presented the award to Ken-Caryl Ranch Historical Society Co-Chairs Jim Antes and Valerie Walling on behalf of the committee's volunteer and preservation work related to the community's historic landmarks, educational, fundraising and promotional efforts. According to Adams, the Historical Society received the award in recognition of the committee's accomplishments in the stabilization and preservation of the Bradford Perley House and other historic landmarks, in obtaining its placement on the National Historic Register, in

obtaining and recording information from living descendants of Ken-Caryl's early residents, for the group's fundraising and education-based efforts, in hosting open house tours of the Bradford Perley House, for their work in producing movies and oral histories relating to Ken-Caryl's descendants and their families, in identifying archaeology and paleontology sites, and in their preservation and propagation of the Bradford Perley apple orchard, to highlight a few. "The Red Rocks Chapter feels that every member of the Ken-Caryl Historical Society is deserving of the NSDAR Historic Preservation recognition," said Adams. "It is hard to single out a few of these members for an award or medal when every member contributed to various projects." The Daughters of the American Revolution is an organization with a deeply rich history that is also committed to staying relevant in today's world. More than 1,000,000 women have joined the organization since it was founded in 1890. The organization serves to honor our country's heritage and to make a difference in communities across the county and the world.

# Hot Diggity Dog! Oscar Meyer Wienermobile Brings Joy to Residents

By Allison Hefner, Editor

Oh, how residents loved to ride in the Oscar Meyer Wienermobile that made its rounds in Ken-Caryl in early November. Resident Elise Gale's cousin, Abbey Rank, a.k.a., Abbey Frankfurter when behind the wheel, serves as a "Hotdogger," or public relations representative for the company, whose job is to drive across America spreading joy and to celebrate Americana; a tradition that dates back to 1936.

"Riding in the Wienermobile was so cool and fun," said Elise's daughter, Eliana Gale, who attends Bradford Elementary. "It actually feels like you are riding around in a big hot dog!"

During a ride alongside her cousin, Elise had the opportunity to witness just how much joy the iconic vehicle

brought to fellow residents.

"The neighborhood definitely received a lot of joy from the Wienermobile," said Elise. "We saw many smiles and giggles and lots of people stopped by for photos and for a tour inside of the vehicle. Our family and a lucky few were able to catch a few rides around the neighborhood, which was fun. The inside of the Wienermobile is made to look like catsup and mustard, and seat belts are called "meat" belts!"

According to Elise, the job of "Hotdogger" is very coveted – and competitive. Thousands apply each year and only 12 individuals are selected to represent the company on their drive across America. Currently, Abbey Frankfurter's route includes driving the western part of the county. She will travel to one city at a time for a week and then head on to the next city on her planned route. According to Elise, there are currently six Wienermobiles driving across America. Rank, and her alter ego, enjoyed some quality family time on her journey, stopping to stay with Elise and her

family at their home in the Valley for three days before hitting the road!

"When I was riding around with my cousin, I noticed how many people smile when we drive by," said Elise. "It really is a happy piece of our culture."

# Veterans Day Breakfast Honors Veterans and their Families

All photos courtesy of resident photo contributor Wayne Broussard.

In celebration of those who served our country, Ken-Caryl Ranch hosted a Veterans Day Breakfast at the Ranch house on Nov 11. Fifty-three attendees comprised of veterans and their families were treated to a biscuit bar including biscuits, eggs, sausage, bacon, seasonal jams and fruits. Musicians Dillon Woolston and Ron Wheat donated their acoustic musical talents to entertain guests at this event, which offered community and connection between veterans and their families and to honor these

individuals for their dedication and service to our country. In addition to breakfast, veteran attendees were honored with a slideshow that ran through the duration of the event and featured photos of attendees as a thank you for their service. Veteran, resident and photographer Wayne Broussard was on hand to take photos of the event, including individual photos of veterans and their loved ones, which will be made directly available for purchase to event attendees. A special thank you to Platinum sponsor Crystal Adams with Equity Real Estate and Bronze Sponsor Colorado Credit Union for their generous support of the Veterans Day Breakfast. Thank you to Wayne Broussard for generously donating his photography talents to beautifully capture this event, and to Dillion Woolston and Ron Wheat for donating their time and talent to entertain our honored guests and their families. In addition, the Ken-Caryl Ranch community is also very fortunate to

have its very own veterans monument at the northwest corner of Community Park. This monument is a reflection of the work of local Ken-Caryl Ranch veterans who spent their time and energy to create a space to honor and recognize the men and women who have served or are currently serving in the United States Armed Forces. The monument is a tremendous community and regional asset, and provides a wonderful opportunity for all residents, visitors, and guests to stop by, reflect and honor those who have served our country.

**Life at Ken-Caryl Policy: Letter to the Editor**

LETTERS TO THE EDITOR ARE WELCOME AND ENCOURAGED from any Ken-Caryl resident in good standing or from any elected official or political candidate. Letters should be concise — no letters over 350 words—and must be received by the published deadline date and time. Deadline dates and times can be found at [www.ken-carylranh.org](http://www.ken-carylranh.org).

The preferred method for submitting letters to the editor is by email to Allison Hefner at [allisonh@kcranch.org](mailto:allisonh@kcranch.org), but they may be mailed or hand-delivered to the Ranch House, Attn: Allison Hefner, 7676 S. Continental Divide Road, Littleton, CO 80127. A response will be sent via email when a letter or article is received. If you do not receive a response, call 303-979-1876, ext. 108, to confirm receipt.

We do not print anonymous letters. Letters must include name, address and phone number (daytime), but only the author’s name and “Ken-Caryl Resident” or applicable government office will be printed in the paper. Residents may submit up to eight letters to the editor per calendar year. More than one letter per resident may be published in a single issue of the paper provided that the letters are not about the same subject. Letters will be printed on a space available basis and may be edited. Editor retains right to appropriateness and content.

Letters will be published with plain text; use of all caps, italics, bold or excessive exclamation points will not be allowed. Published letters to the editor do not necessarily reflect the views or opinions of the Master Association, its directors, officers, employees, agents, staff, *Life at Ken-Caryl* or its editor. Neither the editor nor the Master Association accepts any responsibility for the content of these letters. Writers accept full responsibility for their written word. Letters should comply with acceptable standards for courtesy and respect.

Email to [allisonh@kcranch.org](mailto:allisonh@kcranch.org).  
Deadline for Dec. 7 paper is Nov. 28 at 9 a.m.

**Dear Editor:**

This is in response to Ryan Waldron’s letter to the editor. Our wonderful community is smart enough to see through extremism and lies! No one, no one. I repeat, no one, including Jim Fodor has ever waged a multi-year effort or any kind of effort to eradicate mountain bikers. Really, really? Eradicate? Let’s have truth and only truth in our community! We are a community, a beautiful and very lucky community. We get to live in this amazing Ken-Caryl community!

Fact- a majority of mountain bikers and hikers are very courteous people.

Fact- a minority of mountain bikers think it’s funny when the bike lights at night disturb nocturnal animals.

Fact- a minority of mountain bikers intimidated residents with opposing conservation views at meetings and social media.

Fact- Colorado State University scientists and some of our own KC Rangers warned of ramifications on the golden eagles with the Docmann Trail.

Fact- the Docmann Trail was built anyway for \$80,000.

Fact- the golden eagles have been struggling since.

Fact- the Denver Post has reported

on the damaging effect of additional trails impacting wildlife, specifically elk.

Fact- repeated Ken-Caryl resident surveys show the majority of residents would like an open space area left untouched for conservation.

Fact- the only untouched area left is the “Wildcat area”.

Fact- a trail master plan is a plan that does not need to be completely executed if the majority of residents do not want it to be, as surveys reflect.

Fact- 30 or so elk have been photographed recently in contrast to 100s of elk migrating through the Valley a few years ago, prior to additional trails.

A request to our MA Board: please listen to our community surveys and honor our community’s request for no additional trails, but conserve the last untouched area.

Let’s coexist with our differing views. Let’s not be selfish.

Let’s honor nature and her creatures. Thank you,

*Heidi Werth, Resident*

**Dear Editor:**

This multi-generational mountain biker feels he has experienced a personal attack in your paper. Mr. Ryan Waldron mentions my name four times. I do not concur with any of the accusations. One sentence is particularly damaging. He stated: “Why does Mr. Fodor “wage a multi-year effort to eradicate mountain bikers from Ken-Caryl...”That is not true. That was never my goal or intent. Continuing with the same sentence he adds: “...and scares our neighbors about mountain bikers”. Our residents should be informed of incidents and open space accidents requiring emergency medical services without releasing names or private information. Serious mountain biking accidents are not generally published prominently in our newspaper. I feel this information is vital to the community. It supports the need for a safe area or “Conservation Area” for hikers and equestrians devoid of speeding mountain bikers. We need real balance in our open space.

Yes, mountain bike races have been conducted in Ken-Caryl over a decade ago before Mr. Ryan Waldron was a resident. The races continued for seven years before being discontinued. It left a lingering scar for those who were in opposition. I hope Mr. Waldron, as a family member with ties to the Avout Racing Inspired Juniors organization, along with the leadership, will agree and say, “never again”. I feel the Avout program has been well supervised and special for those children who are interested; however, some adult parents have views which contradict those of some vocal conservationists.

The letter asserts that there are hundreds of mountain bikers in Ken-Caryl. That is a small fraction of over 4,000 households and 14,000+ residents with a majority who do not mountain bike. Shouldn’t KCR designate a meaningful portion of the Foothills Open Space, (recommend one-third), as a conservation area in compliance with the survey results? Will Avout leadership and membership agree? Our KCR Trail Plan features the Stacked Loop System, which causes fragmentation and wildlife habitat compression. The plan has caused controversy since its inception. I urge everyone to read about fragmentation. It is a problem throughout the country.

Thank you,  
*Jim Fodor, Resident*
