See Something, Say Something!

By Brian Yowell, Community Administrator

We’ve all heard the sayings, “It takes a village,” or, “The whole is greater than the sum of its parts,” or, “Alone we can do so little; together we can do so much.”

The message of these sayings rings true for so many situations in life, business and community. Together we can do so much. We are all incredibly lucky to live in Ken-Caryl Ranch and be part of a community that cares about the community.

Covenant (or rules) inspections are done one time a month, per residence – at a minimum - during the winter months, and two times a month, per residence – at a minimum – during the spring, summer and fall months. Additionally, any time a home sells in our community, I do a physical inspection of the exterior of the home to make sure there are not any outstanding violations that would need to be cured. If there are, I collaborate with the sellers to cure, or communicate, with the buyers that the outstanding violation(s) will need to be addressed and give them a timeline in which cure is expected.

As I can’t be everywhere at the same time (the thought of cloning me is either very exciting or terrifying), I also rely on members of the community to alert me to potential rules violations and concerns. I personally respond to every inquiry and follow up with the necessary actions if cure is required, and work with individual residents to find a solution to the violation.

I’m going to coin my own saying... “Alone we can only do so much; together we can do so much more.”

I know that nobody – okay, okay, not many – want to complain about their neighbors, but unfortunately, sometimes it is necessary. Oftentimes, people don’t know exactly what is and what isn’t a violation, and don’t necessarily think their actions impact their neighbors and community, or don’t think the rules apply to them, or their backyards. However, as we all know, the rules, regulations and procedures are in place to keep Ken-Caryl looking great, our property values up and our residents accountable.

If you see something, say something. We have added a Rule Enforcement Request Form to our website, under the *About Us* tab, then click Contact Us. This form will come directly to me, and I will follow up on the request and you can remain anonymous.

Don’t think of it as not caring about your neighbor... think of it as caring about your neighborhood. Together, we can educate, enforce and ensure Ken-Caryl stays beautiful.

Thank you, Ken-Caryl!

At your service,
Brian Yowell

2022 Jeffco SLASH Collection Sites

Jefferson County is excited to announce that the number of SLASH collection days will be doubled in 2022 compared to previous years. SLASH collections will now be open Thursday through Sunday at most locations for the drop off of items like tree branches, debris, pine needles and pinecones. Jeffco will host several collection sites in Beaver Ranch Park in Conifer and Settlers Drive Property in Morrison in the coming months. Any size truck or trailer is welcome at Jefferson County SLASH Collection sites. Dump fees are based on six cubic yards (162 cubic feet) of material, which is one load. The cost to drop off a single load is \$20. Credit cards only. For details, dates and times, including a comprehensive list of acceptable items, please visit their website at <https://www.jeffco.us/2493/Slash-Collection>.

Valley Parkway Roadway Improvement Public Meeting

Valley Parkway will be repaved during the summer of 2022. Due to the number of resident concerns along this roadway, the county previously hosted two public meetings to solicit input on improvements such as crossings, intersections and general transportation operations. The public comment period has closed, however, comments have been reviewed and updated plans will be presented at their next meeting on May 3 from 6-7 p.m. For additional information on this project, including how to access the meeting online or by phone, please visit <https://www.jeffco.us> and search for Valley Parkway Improvements.

Volunteer Patroller Training & Checking for Bracelets

By Matt Oven, KCRMA Ranger Park Supervisor

In the next couple of weeks, nine residents will have joined the KCR Volunteer Patroller Program. This brings the number of patrollers to 32 for the 2022 season! This program is beginning its eleventh year and the volunteers are a tremendous help to the rangers. In 2021, Volunteer Patrollers contacted 5,008 users, patrolled 1,018 trails and donated over 600 hours of patrol time!

In becoming a volunteer patroller, one attends an initial 2.5-hour training that includes contact scenarios. Volunteer Patrollers, or VPs, are trained on many aspects, but the major one is making a professional contact. This includes an introduction/gaining the users' attention, a reason for stopping the user, educating users on subject matter, or any rule violation and a positive closing. The contact scenario training attempts to review all types of possible contacts in the field. What complicates matters is that VPs (along with park rangers) have to verify Ken-Caryl residency by either viewing an ID bracelet on the person, or bike, or stopping the user to verify membership. Depending on the amount of time with a hiker/runner/biker, it may be a few seconds to a quarter second at best, to try and view a bracelet. If the bracelet is not on the front of a bike or person, like a backpack/wrist, VPs are stopping the trail user to verify membership by asking them for an address (possibly a family name to check records). VPs try their best to approach trail users in a positive manner, and the job is difficult as it takes many hours of practicing contacts to become proficient. VPs are always trying to educate, and also identify, any non-Ken-Caryl members (trespassers) and direct them to leave the private trails. This is different from being a volunteer patroller/host at a public open space/park agency, as one is not stopping or directly contacting every user on the trails or parks.

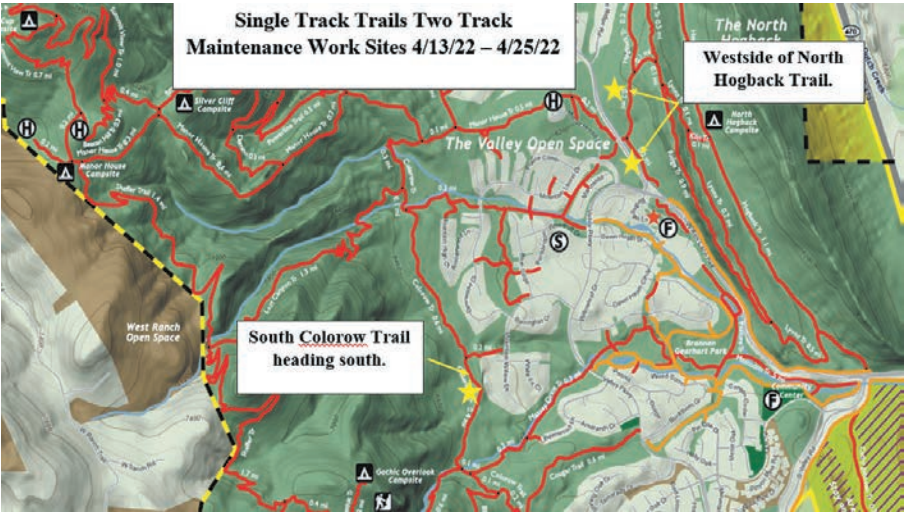

KCR Residents, please do your part too!

- If you have the KCR ID Bracelet (yellow), **attach the bracelet on your wrist, front of pack, dog leash, or handlebars!**
 - Please **do not** place the bracelet in your pocket, attach to backside of backpack (hat or helmet), or under your bike seat, in the wheel hub, neck/stem, etc.
- With limited time to verify a bracelet when oncoming trail users appear, having it displayed correctly is the best way for a VP or park ranger to recognize an authorized user. After viewing the bracelet, VPs can offer a simple verbal thank you, wave, or thumbs up sign. Another, crucial part is that VPs (and park rangers) have to also **view** the bracelet text, symbol, or serial number, to actually make sure it is an approved bracelet and not someone with just the same color bracelet trying to commit fraud. In addition, if a bracelet is not observed, VPs will stop the trail user to confirm residency.

VPs (who wear a blue vest, an ID with a black/silver patch and orange bike placard) are authorized to contact users on the trail system. Trail users do not have to answer questions from other non-VPs/park rangers, or basically other trail users if approached, unless they feel comfortable to do so. However, these individuals are not authorized, or trained by the open space team to perform contacts. Please remember, the VPs are **donating their free time** and are not paid. They are helping to educate users on all rules of the open space, working to keep out trespassers and doing their part to assist the community in keeping Ken-Caryl Ranch a great place to live. Any questions about the program can be directed to the park rangers at 303-979-1876, ext. 170, or email me at matto@kcranch.org.

Notice to Trail Users: Singletrack Trails to Conduct Maintenance Work

The KCRMA Rangers have enlisted the help of contractor Singletrack Trails to perform maintenance work on our two-track service/trail roads on April 20. They will be starting on the west side of the North Hogback Trail and then will move to South Colorow Trail. Singletrack Trails will be cleaning out drainage dips and grading the road to help with rutting and water run-off. The ranger staff will post signs to alert trail users of the maintenance work. It is estimated that the work will take 2-3 weeks. Questions? Please contact the KCRMA Rangers at 303-979-1876, ext. 170.

Noxious Weed Work in Ken-Caryl’s Open Space

Springtime has arrived in the Valley, bringing longer days and warmer temperatures. With this warmer weather, noxious weeds are starting to pop up in the open spaces, lawns and parks. The Natural Resource team began their noxious weed management work in the open space earlier this month. This includes herbicide application, biological control, hand removal and mowing. We will continue these operations all the way through fall. In addition to the Natural Resource team, a contract herbicide applicator, Weed Wranglers, will also be conducting work in the open space that will continue into the summer and fall.

We are required by Colorado law to manage noxious weeds in our open space areas. To manage them, we take an integrative approach that uses multiple control methods to combat noxious weed spread. If you have questions about noxious weed management, or the management areas, please contact KCRMA Natural Resources Specialist Liam Cullinane at 720-599-3247, or liamc@kcranch.org.

Dennie McGarry with the Ken-Caryl Ranch Foundation (KCF), presents a check to Sarah Ng, this year's scholarship recipient.

The Ken-Caryl Ranch Foundation Scholarship Award

The Ken-Caryl Ranch Foundation is proud to announce this year's scholarship award for Community Service. Congratulations to Samantha Ng for her continued service to the community and for being awarded the Ken-Caryl Ranch Foundation Community Service Scholarship for 2022.

Samantha is currently a senior at D'Evelyn High School and is undecided at this point of her college plans. Her community service was focused mostly on her playing piano at the Morningstar Senior Living Center.

Thanks to the Colorado Credit Union for their continued financial support of this program over the years.

The Ken-Caryl Ranch Foundation was formed in October 1990 with the goal of enhancing the quality of life for the residents of Ken-Caryl Ranch. Its mission is to promote community engagement and solicit

donations which include monetary contributions as well as personal and real estate property from individuals, public and private community organizations. These funds are used in the establishment and development of facilities, which includes park and open space lands, health and wellness programs, cultural arts, educational programs and recreational programs.

The Foundation supports a variety of programs with the donations it receives. The Foundation also spearheaded the acquisition of nearly 900 acres of open space on the South Dakota Hogback. Scholarships, historical preservation, trail maintenance, memorial tree program, access for the handicapped and children's art programs are also supported.

More information on the foundation can be found at our website at www.kencarylranhcfoundation.org/.

Parks Director
Pat Malloy Retires
Following 38 Years
of Service

By Allison Hefner, Editor

Thirty-eight years. Nearly 400 thousand miles to and from work. Hours of dedication. Following 38 years of service to our Community, Ken-Caryl Ranch Parks Director Pat Malloy has retired.

Pat began his career as a foreman in the Parks Department in 1984. He was then promoted to supervisor in 1989 and then to Parks Director in 2017, a position he was proud to have served in up until his recent retirement.

Ken-Caryl's landscape may have changed since Pat began his career, but one thing has always remained the same - his dedication to preserving the beauty of Ken-Caryl Ranch.

"I had the privilege of working with Pat for more than 35 years and don't think you could find a more dedicated man," said Chris Pacetti, former executive director of the Ken-Caryl Ranch Master Association who hired Pat. "The people, parks, greenbelts, and facilities of Ken-Caryl Ranch benefited greatly from Pat's commitment to continuously striving to make them the best ever. He will be missed, but I join many others in wishing him well in his retirement."

In his role as Parks Director, Pat oversaw 17 employees spanning in horticulture, turf, fleet, forestry and maintenance; serving as a mentor to his crew and ensuring that all resident concerns were properly addressed

in a timely manner. Additionally, Pat was responsible for 107 acres of parkland that included Ken-Caryl's athletic fields, playgrounds, picnic areas, medians, an urban forest and greenbelts.

"Pat has been a fixture in the community for 38 years and has been an invaluable resource for both the Master Association and Metropolitan District," said Victoria DeSair, executive director of the Ken-Caryl Ranch Master Association. "While we will miss him around here, I'm so happy for him that he gets to spend more time with his family and enjoy time for himself!"

Over the years, Pat has been equally dedicated to his family as he has to his position and looks forward to spending quality time with family during his retirement, including his wife, Lucy, his children and grandchildren.

"I know that [Pat's] middle name is actually 'Integrity,'" said wife Lucy during Pat's retirement luncheon in April. "And I know that I can speak for myself, our children and our grandchildren...we were happy to share you [with all the souls at Ken-Caryl], but now we are really looking forward to having you all to ourselves!"

Pat's dedication to serving the community is unparalleled. "He spent decades being the person on-call 24/7 for any and all issues on the Ranch," notes Traci Wieland, Metro District Director. "From broken sprinkler heads, snow issues, alarms, and about any other issue that you can think of. We wish him all the best."

Ken-Caryl Ranch thanks Pat for his years of dedication, service and commitment to our community and to

his staff and to our residents. "Not a day has gone by that I didn't look forward to coming to work," said Pat. "The residents, the beauty of Ken-Caryl Ranch, the people. I was blessed

to work with so many wonderful people and I consider you all to be friends. Thank you all for 38 wonderful years."

Pat, joined by his wife Lucy, at his retirement luncheon on April 6 at the Ranch House.

Retirement means having your cake and eating it too!

Darrell Windes, former Metro District Manager, fondly recalls his time working with Pat.

Staff, family and friends applaud Pat Malloy and his 38 years of service.

Ken-Caryl Ranch Historical Society Fire Site Team Surveys the Oak Fire Site

By Jack Warner, Resident, Ken-Caryl Ranch
Historical Society Archaeology Committee

On Dec. 27, 2021, a significant wildfire burned a large portion of the east side of the Ken-Caryl Ranch South Hogback. The fire was named the Oak Fire. Archaeological research in a number of states have discovered that a fire scar, before natural vegetation has time to recover, is a most productive place to do an archaeological survey, as surface artifacts are the most visible.

On April 6, a Ken-Caryl Ranch Historical Society (KCRHS) Lead Team conducted an archaeological survey of the Oak Fire burn scar. The team consisted of 15 people; 10 from the Historical Society, two Ken-Caryl Ranch Rangers and three experienced Colorado Archaeological Society archaeologists. The following is the report of that effort.

The Oak Fire archaeological survey team photo. Weather officials had declared this a “Red Flag” day of high fire danger with dry land, high winds and a temperature in the 40’s. This was a chilly team. Photo courtesy of Jack Warner.

The survey team in progress on the Oak Fire Burn scar. The pink pin flags were used to mark interesting items for analysis. Note the sparse vegetation and the new greening of plants. Photo courtesy of Jack Warner.

The KCRHS team, with cooperation from the KCRMA Rangers and experts from the Colorado Archaeological Society, took advantage of the opportunity to conduct an archaeological survey presented by the Oak Fire burn scar before the vegetation grew dense. The property, particularly west of the Dakota Hogback, has seen considerable past archaeological work. Hundreds of prehistoric artifacts have been found and recorded. Compared to other sites on Ken-Caryl Ranch land to the west of the Dakota Hogback and the three cuts in the hogback at Deer Creek, Massey Draw (Ken Caryl Avenue) and Dutch Creek, the density of artifacts found on this survey was low. It appears that the prehistoric and historic people did not use this eastern hogback slope to the high degree they used the west hogback slope and the Valley.

Aerial view taken Dec. 27, 2021, of the Oak Fire in progress. C-470 is the highway on the right (SE) of the fire. Note the high wind driving the smoke. Photo courtesy of Jack Warner.

◆ SENIOR CENTER

Ken-Caryl Ranch Senior Club Resumes Monthly Meetings

The Ken-Caryl Ranch Senior Club (KCRSC), for residents ages 50 years or older, has resumed its monthly meetings. This club meets for a luncheon on the second Tuesday of each month from 11 a.m. to 2 p.m. at the Ranch House for the purpose of friendship and conversation. Attendees provide food by assignment and the quarterly leadership provide interesting meeting topics with presenters as well as outings at some place of interest each month. The club has a monthly newsletter that identifies meeting details. If you are interested in attending their meetings and possibly becoming a member, please contact Diana Kappes at 224-723-8222, or Stephanie Berg at 571-228-5968. If you are interested in receiving their newsletter, please provide an e-mail address to Larry Campbell at campbell160@comcast.net.

Sign Up for the e-News!

The Ken-Caryl Ranch e-News is a weekly newsletter distributed every Monday via email to all residents who subscribe. It is a great information source and supplement to the newspaper and other forms of communication on Ken-Caryl Ranch.

To sign up for the e-News, go to www.ken-carylranh.org and fill out the e-News sign-up form on the home page or send an email to allisonh@kcranch.org.

Fairy Tale Ending

Helping our furry friends find homes.

Every adorable, adoptable resident of Foothills Animal Shelter lacks only one thing: *a happy home*. Please consider adopting one of this week's featured pets:

Elvis (#239418): Elvis is a 3-year-old, male Pit Bull mix. This very sweet boy is feeling less than confident due to his lengthy shelter stay and is going to need a loving, patient and hands-off family (with children aged 10 or older) that's willing to give him the necessary time to decompress from the stress of this environment. Elvis has been generally affiliative when approached by shelter handlers (displaying some fear and uncertainty), and would appreciate a new family that is prepared to thoughtfully support him when meeting new people and provide him with a feline-free household.

Sarah (#242773): Sarah is a 6-year-old, female cat. Gorgeous beyond description, with a fluffy white-'n'-grey coat and alluring green eyes, "Sweet Sarah" came from a home a bit too densely populated to be effectively managed. Sarah's ideal home (one with older or no children) will start her off in a small room comfortably outfitted with food, water, toys and litterbox, and allow her the space and time needed to comfortably acclimate to her new home. Given her experience living in a multi-cat household, she may be most comfortable in the company of a feline friend.

To find out more about Elvis, Sarah and other deserving pets in need of good homes, visit www.FoothillsAnimalShelter.org.

PICTURE THIS! - Where'd You Go, Big Fella?

A magnificent elk in the Valley, as seen and snapped by resident Doug Gray in 1994, when these beautiful animals frequented the Valley. It appears as if Ken-Caryl has experienced a decline in elk sightings over the past 5-7 years.

ARE ALL OFFERS EQUAL?

It seems in this crazy Seller's market of multiple offers on many listed properties, it would be obvious which would be the best offer for an agent to advise a client to accept. The reality is it's NOT. It takes skill and perception for an agent to decipher the complexities of all the parts of an offer and advise the client on which best suits their specific needs. This includes a willingness to get to know their counterpart to find out the level of commitment from each potential Buyer. The highest priced offer is often the most attractive to the client but not always the most likely to reach closing for various reasons.

I have an excellent track record of advising my clients on the best offers to choose. If you are thinking of selling, let me put my expertise and knowledge of the current market to work for you.

You will gain experience in teamwork and leadership techniques, leading group activities and assisting counselors with program operation. Develop your leadership skills as you help the Summer Camp staff each day.

Backcountry Skills Camp
The Backcountry Skills Summer Camp will teach campers 10 to 14 the skills necessary to thrive in the Ken-Caryl Ranch backcountry. From orienteering with a compass, to learning and applying the principles of Leave No Trace, to shelter building in the woods and more. In addition to learning on site, the team will explore off-site wilderness locations throughout the week to practice and learn skills in real-life scenarios. Our experienced instructors will guide campers in building strong relationships and a supportive team environment all while gaining new experiences in the wilderness. As a culmination to the week, a comprehensive skills test will challenge campers to put the wilderness knowledge they have gained to the ultimate test.

Leadership Camp
Are you tired of the typical summer camp experience? Are you ready to do something meaningful – to really make a difference? This is the place for you! During this two-week long camp meet new friends, develop leadership skills and have fun while helping out in the community! This camp has two focus topics: human needs and environmental needs. Each camper will experience opportunities in both of these important need groups while developing an ethic of service in this fun-filled program.

Rock On! Rock Climbing Camp
Have you ever seen rock climbers scaling cliffs and rock faces and wished you could be doing that? Do you love to be outside and try new, daring adventures? Now is your chance! Come learn the ropes, literally, in our Rock On! Camp. Our staff and the Front Range Climbing Company will teach you the basics about gear, knot tying, belaying and climbing techniques. Life at Ken-Caryl Policy: Letter to the Editor

LETTERS TO THE EDITOR ARE WELCOME AND ENCOURAGED from any Ken-Caryl resident in good standing or from any elected official or political candidate. Letters should be concise — no letters over 350 words—and must be received by the published deadline date and time. Deadline dates and times can be found at www.ken-carylranh.org.

The preferred method for submitting letters to the editor is by email to Allison Hefner at allisonh@kcranch.org, but they may be mailed or hand-delivered to the Ranch House, Attn: Allison Hefner, 7676 S. Continental Divide Road, Littleton, CO 80127. A response will be sent via email when a letter or article is received. If you do not receive a response, call 303-979-1876, ext. 108, to confirm receipt.

We do not print anonymous letters. Letters must include name, address and phone number (daytime), but only the author's name and "Ken-Caryl Resident" or applicable government office will be printed in the paper. Residents may submit up to eight letters to the editor per calendar year. More than one letter per resident may be published in a single issue of the paper provided that the letters are not about the same subject. Letters will be printed on a space available basis and may be edited. Editor retains right to appropriateness and content.

Letters will be published with plain text; use of all caps, italics, bold or excessive exclamation points will not be allowed. Published letters to the editor do not necessarily reflect the views or opinions of the Master Association, its directors, officers, employees, agents, staff, *Life at Ken-Caryl* or its editor. Neither the editor nor the Master Association accepts any responsibility for the content of these letters. Writers accept full responsibility for their written word. Letters should comply with acceptable standards for courtesy and respect.

Email to allisonh@kcranch.org.
Deadline for May 11 issue: May 2 at 9 a.m.

Dear Editor:

Hello neighbors – I'm writing to encourage you all to vote Mike Miro to our MD Board. Our decision will be difficult this year; there are some fantastic candidates. Mike is quite simply an inclusive decision maker, savvy business leader and passionate community member.

I was fortunate enough to volunteer with Mike on the KCR Community Planning Committee. During that time, Mike helped create and lead the political action committee that supported the 2014 Bond Referendum. This helped fund much-needed upgrades at the Ranch House, Dakota Lodge and Community Center. His research and his perspective on multiple topics were tremendous. Mike is practical, prepared, willing to listen to all sides of an issue and always makes decisions based upon the best interest of the community.

I also like that he is not focused on any one specific issue or topic, consistently demonstrating both leadership and curiosity in all arenas. He has practical work experience at a local engineering company. That provided great insight and strategies to overcome our aging infrastructure and it will help him as a fresh face on the Board. One who already has a working relationship with staff,

other Board members and knows the administrative process at KCR.

Mike is a voice that will represent our entire community. He has a great pulse on our needs because of his work on the last three community surveys and actively leveraging all of our community services. His biggest differentiator are his school-aged children. They take advantage of the various recreational activities and live the lifestyle we coveted when we chose to call Ken-Caryl Ranch home.

Mike has the experience and background to make an immediate impact on the MD Board.

Thank you,
Jeremy Jensen, Resident

Dear Editor:

Part Two

"The other way to damage trails is by causing deep footprints (or hoofprints) and tire tracks. Mountain bikes create grooves that allow water to stream down the trail. The bike actually creates a channel that water goes down and

carries the trail surface,"...explained Bonnell.

Trail damage causes open space managers to spend resources to repair trails. Vivienne Jannatpour, Boulder County Open Space stated, "It costs money and time to go in and smooth it (the trails) out." Jannatpour is pleased that by educating the public, "we are starting to see more and more support, and even people asking us to close trails."

Never venture off trails. "You're not just killing the plants, you're killing the experience," Bonnell said. "Who wants to walk on a 20-foot-wide trail? No one! We love a nice corridor with vegetation and beautiful wildflowers. When you walk off trail, no matter what time of year, you're jeopardizing that trail experience."

Ken-Caryl Open Space Management has not initiated these important trail closures. Ken-Caryl Open Space trails are not closed dusk to dawn, even though the 2021 Community Survey indicated that 27% of respondents were

in favor of nighttime closures. Ken-Caryl Trails are not closed "to protect wildlife during sensitive times during their lifecycles." Trails are not posted at the trailheads with signage "closed" for the season for muddy conditions. As evidence of what Bonnell was referring to in her previous quote regarding trail degradation, please visit the Cathy Johnson Trail from Deer Creek Canyon Road. The CJ trail has evolved into a trail wide enough for a two-way road and the adjacent vegetation is struggling.

Doesn't it seem irresponsible that the Ken-Caryl community is not following the necessary standards set by JeffCo and Boulder Open Space and offering our wildlife the highest degree of respect and protection, as well as preserving the integrity of our trails?

Trail closures are necessary. To be the best stewards of our open space and wildlife, please request Ken-Caryl open space managers to initiate nighttime trail closures and post seasonal trail closures on the K/C web site and at trailheads.

Living and Loving the Ken-Caryl Lifestyle • 29-Year Resident AND Local Expert

Dear Editor:

I'm writing in support of Kayla Kirkpatrick's re-election to the Metropolitan District Board.

Over the past year, I have had the privilege of serving on the Community Planning Committee and Kayla has attended our meetings as a non-voting board representative. From my committee experience, I have been impressed by Kayla's desire to not only listen, but also to understand a wide array of concerns and diverse perspectives. And as a relatively new Ken-Caryl resident, Kayla has made me feel welcomed and valued as part of this beautiful community. She is kind, authentic and intelligent.

I am grateful for Kayla's leadership in our community. Please join me in supporting Kayla's reelection.

Ben Metzger, Resident

Dear Editor:

As Ken-Caryl taxpayers, we believe Kayla Kirkpatrick is a strong candidate to serve a three-year term on the Ken-Caryl Ranch Metropolitan District Board.

As a board member for the past four years, Kayla has kept the best interests of Ken-Caryl taxpayers at the forefront. For example, when the Board ultimately voted to endorse the NADG Inclusion Agreement, Kayla was the only board member to oppose. Rather, she advocated for the following: 1. A fully transparent process that would assure review of and compliance with previous binding and/or relevant agreements and documents; 2. That the advantages and disadvantages—even potential adverse or negative impacts—of the agreement be clearly explained to taxpaying residents prior to a vote; 3. Assurances that the Inclusion Agreement does not create potential, future liability for existing taxpayers and that its intent can be carried out by future board members; 4. That there be transparency about any potential conflicts of interests.

Kayla Kirkpatrick will go to the nth degree to provide information to residents so that all matters considered by the MD Board are appropriately deliberated and fully communicated. She has proven to be a consistent advocate of Ken-Caryl taxpayers' best interests and represented taxpayers'

rights to be fully informed about matters that have potential financial and quality of life impacts both short- and long-range. We fully endorse Kayla Kirkpatrick for a three-year term.

Dear Editor:

Why I am voting to elect Kayla Kirkpatrick to a three-year term on the KCR Metropolitan District Board:

Kayla Kirkpatrick has proactively represented Ken-Caryl Ranch taxpayers by providing vital, time sensitive information on KC Neighbors Facebook page. For example, she provided the deadline dates for KC residents to comment to Jefferson County case managers regarding the many variances requested by the North American Development Group (NADG) for its proposed new development and the potential impacts on safety and quality of life for current residents.

Kayla has been diligent, transparent and honest in her advocacy of KC residents' best interests. A vote for Kayla Kirkpatrick assures residents have a voice.

Thank you,
Laura Fleenor, Resident

Dear Editor:

The KCR Metropolitan District Board election is upon us and there are important reasons to support four candidates who are best suited at this particular, critical time in our history. First, KCR residents deserve recognition because 52% of residents responded to the 2021 KCR survey with 95% of respondents completing the survey. What a great place to live with that level of enthusiasm. All survey results deserve appropriate action. Have you noticed some important environmental preservation results have not been acted upon? We need board members who can read the pulse of the community, disregard special interest

groups, or their personal agendas and rightfully deliver equitably to the constituents. We need board members who know how to conservatively fund and preserve our valued amenities and open space. It would be great to have an equivalent response in this election because overuse of all amenities (by non-residents), or over-development is a dollar-cost concern. Some who reside in KCR are very affluent and then there are those who have had, or are having successful careers, but must budget their income carefully. Lastly, there are other residents who have not been so fortunate. For me, the latter two categories provide the pulse of KCR and the majority of residents. Two candidates who understand this pulse and whom I feel have demonstrated the necessary thoughtfulness and thoroughness as either a member of the Community Planning Committee or the KCR Metropolitan District Board are Rilla Reinsma and Kayla Kirkpatrick, respectively. They had dedicated so much time and effort prior to being appointed, or elected. Two special candidates for the one-year term are John Ostrom and Mike Miro. They both have impressive resumes and are truly very respectful in demeanor. I know some of the other candidates personally and wish them well in this election. If you want fair and equitable management, then vote for Rilla Reinsma, Kayla Kirkpatrick, John Ostrom and Mike Miro.

Jim Fodor, Resident

Dear Editor:

Transparency, authenticity, stewardship and a big heart for our special community. These are the sort of qualities I hope for in all our elected board members and the qualities that represent Kayla Kirkpatrick. I've personally had the chance to work with Kayla as I tried to understand the NADG Inclusion Agreement and its potential impact on our community. Her focus was on providing information and inclusiveness to ensure residents actually understood what was happening and that our community had a voice. This led to a group of residents working directly with Jeffco officials, board members and the NADG to work through key issues and concerns. Issues and concerns that are

making a difference in the potentially serious and long-term financial and physical impact on our community with this development. Thanks to Kayla's accountability and dedication to involving our community in the process, more than 850 residents signed a petition in a matter of days and over 80 participated in a public hearing on Dec. 7, 2021, stating that they were not in favor of the agreement to include NADG residents in the Metropolitan District—an agreement that gives the 2000 new residents of NADG access to KCRMD swimming pools, tennis courts and other amenities, amenities that should be provided by NADG.

In all the years I've voted for candidates, it has been based on issues - trails, community sustainability, cost increases, etc. This year, I'm digging into my vote more than ever as we look ahead to the future of our community. To start, I know that a vote for Kayla Kirkpatrick to a three-year term on the KCRMD is a vote that assures you of proactive, transparent and ethical representation. I also look forward to learning more about all other candidates running for seats and their hearts for Ken-Caryl.

Chris Deutschman, Resident

Dear Editor:

As a Ken-Caryl resident, you have a strong advocate in Kayla Kirkpatrick, with a proven track record over the last four years she has served the taxpayers. She views issues that come before the KCR Metropolitan District Board through the lens of full deliberation, appropriate research of relevant background information and documents, and sensitivity to residents' wishes and concerns—all approached with integrity and transparency.

Kayla is effective because she is not a "yes (wo)man." She takes accountability to the residents and engagement with residents seriously. She is knowledgeable of the Ranch's legacy and seeks to balance it with current needs and resources. She analyzes, researches and reads everything she can about the topics that come before the Board. She does not have a "pet project", or a "special interest group." She knows doing the right thing isn't always the easiest; she represents all

Genevieve Johnson, Resident

Dear Editor:

I am fully backing Kayla Kirkpatrick in the upcoming election. Kayla Kirkpatrick's candidacy for a three-year term on the Ken-Caryl Ranch Metropolitan District Board will give residents a strong voice, including on such sensitive issues as the pool fees that the Board implemented three years ago. When the Board, at the recommendation of staff, voted

to impose fees on such amenities as pool use, Kayla consistently noted that the low, non-resident fees were, in no way, commensurate with the financial stake that taxpayers have in these facilities and in the cost of upkeep. Kayla is a consistent voice for residents' viewpoints, largely dismissed by the Board and staff who made the budget recommendation; she frequently references the community-wide survey responses from 2021 in Board discussions and as a touchstone to ensure resident voices are represented in KCRMD Board deliberations prior to voting. In short, Kayla Kirkpatrick will continue to serve Ken-Caryl residents thoughtfully and robustly during her three-year term.
