Property Taxes and Budget Impacts

By Traci Wieland, District Manager

If you have been following the Ken-Caryl Ranch Metropolitan District’s budget process this year, you know that it has been very unique compared to previous years mainly because of the legislature’s attempt to reduce the impact of property tax increases on property owners. Those attempts culminated in Colorado ballot initiative Proposition HH, a 10-year plan to reduce property taxes.

The District had been waiting for the outcome of the election to be able to finalize 2024 Budget preparations, which hinged on passage or failure of Prop HH. That measure was decisively defeated by 60% of voters on Nov. 7. Shortly thereafter, the District began final preparation for the 2024 Budget with what we thought was a sound course of action based on the outcome of the election. That quickly came to a halt on Nov. 9 after the governor held a press conference announcing a special legislative session beginning Nov. 17.

As of the writing of this article, there is speculation about what the outcome of the special session could be: frozen valuations, frozen mill levies, backfill from the state’s general fund, and others that we may not even know about yet. There are several issues for the District if any of these rumors were to become reality. For instance, the cost of doing business can be felt by everyone, including district operations. The District will experience an 11% increase in property and liability insurance, 25% increase in workers’ compensation, 5-30% increases in contract services, and much more. If the District were to be constrained to frozen property values or mill levies, it would be detrimental to the District’s operations and hopes for completion of ongoing capital improvement projects.

The District was set to approve the 2024 budget on Dec. 5; however, there will likely be changes to that date and possibly future ones. The first draft of the budget is posted at www.ken-carylranh.org under *About Us*, then Financials. Hopefully, the updated budget will be posted in early December once we know the outcome of the special session. Staff will be paying close attention to the special session and will inform you via social media and the weekly e-News of the outcome and the ongoing budget approval process.

The Board and I value feedback from residents. You can attend a meeting or email us at mdboard@kcranch.org. Thank you for your patience and support. Happy Thanksgiving to you all!

Let’s All Be Merry and Bright by Following Covenant Rules

By Darci Cross, Community Administrator

Hello Ken-Caryl! I hope this finds you well. It has been such a beautiful fall, and even though it is only mid-November, outdoor projects are still being completed by many residents. It has been fun seeing all the home improvements around the community.

On a good neighbor note, just a quick reminder that leaves are falling all around the community, with most trees in the Ranch ranging anywhere from 30-50 years old, and most of them tower over our homes. We can’t control where leaves will fall, where the wind will blow or when snow will take down branches and leaves. I have received a few messages from frustrated neighbors as it comes to the leaves. Please be a considerate neighbor when you are cleaning up the leaves that landed in your yard. We all need to work together.

It is almost holiday lights and décor season. I realize it may be a little early for holiday decorations, as I am a warmer weather holiday decorator for sure! I mean, who wants to freeze trying to hang lights?!? Just a friendly reminder as you get into the holiday spirit and begin decorating for the season... here are the Holiday Lights Rules and Regulations for review.

- 2.28 Holiday Decorations and Lights**
Architectural Committee approval is required for Permanent Holiday Lighting Installations.
- Permanent holiday lighting installations may be illuminated no earlier than one month in advance of the holiday and must be turned off within one week following the holiday.
 - For traditional December holidays, permanent lighting shall not be illuminated before Nov. 1 and shall be turned off by Feb. 1. Submittal shall include:
 - ✓ Site plan and photos showing proposed location for installation
 - ✓ Manufacturer’s spec sheet showing what the installation will look likeCommittee approval is not required for the display of temporary holiday decorations or lights if these are installed in accordance with the following (See also Lights and Lighting section 2.32):
 - With the exception of traditional December holidays, temporary decorations and lighting may be put up no earlier than one month in advance of the holiday and must be taken down (not simply unplugged or turned off) within one week following the holiday.
 - For traditional December holidays, decorations and lighting shall not be put up before Nov. 1 and shall be taken down by Feb. 1.
 - Traditional December Holiday lights include, but are not limited to, colored bulbs (multi, single color, and changing color) and clear bulb string lights, colored spotlights, icicle lights, laser/projector lights, net lights and novelty string lights.
- I am so excited to see all the beautifully lit houses that follow our rules and regulations this holiday season!
- Have a great Thanksgiving holiday and as always, be kind,
Darci

First 5 Feet

By Keith McMillan, Park Ranger & Fire Mitigation Specialist

Firewise guidelines tell us that when preparing our home and property for wildfire, we should start our efforts on the home and the first 5 feet around it. That is because studies show that possibly as high as 70-80% of homes that are destroyed by wildfire are just an ember away from getting into the wrong place. So, what do we do about it? Here is my First 5 to do list!

1. Seal up any openings on the home to keep embers out. If screening is used, it should be no bigger than 1/8" metal screening. It is good for attic and crawl space vents, two areas where we don't want embers getting in. Laundry vents will clog if screens are used, so it is best to have a good flapper style vent that stays clean, closes fully and keeps embers away from highly flammable dryer lint. Lint is so flammable that it is often collected for backpacking fire starter. Garage doors, entry doors and even doggie doors can also be vulnerabilities and should be checked for proper seals.
2. Housekeeping is important, especially this time of year! We must ensure that dry fuels like pine needles and leaves do not collect on the roof, in the gutters, within 5 feet of your home, under bay windows, under low decks or outside stairs. Nature puts a lot of kindling around our homes this time of year. Keep the kindling away from vulnerable areas. Smaller fuels are easier to ignite with an ember than larger fuels. The leaf blower is my favorite Firewise tool!
3. Mulch is not recommended within 5 feet of the property, especially if it touches wooden siding, goes under a bay window or staircase, or could ignite your fence if it is attached to your home. Mulch can be safely used elsewhere on the property if we are limbing up our mature pine trees, so the low branches won't catch if the mulch ignites. Large pines usually ignite from below and we do not want them burning anywhere close to the home because of too much heat.
4. Limit vegetation in the First 5 Feet. Any vegetation that stays within our First 5 Feet rule should be thoughtfully managed. Residents will want to isolate it from other plants with proper spacing to properly manage the total volume, and to be to maintain the debris to be less combustible and have a higher moisture content. (See Firewise Plants on the Firewise page of our website at www.ken-caryl ranch.org). Junipers are on the list to remove if you have them on your property, but especially if they are next to your home. Any plant that gets cut back for new growth next year can be cut in the fall so we don't keep extra dry fuel around through this dangerous time of year. Remember the Marshall Fire happened at the end of December.
5. Limit storage within 5 feet of your home. I commonly see old pallets, leftover building materials, tires and outdoor furniture being stored in a way that increases the risk of ignition due to embers. I also see firewood being stored next to and even between homes. Keep in mind that the Master Association requires firewood be stored 15 feet from your property. We should also always limit the quantity of fuel between our homes, home-to-home ignition is a very real scenario for us on the wrong day. Limiting fuel between homes lowers the probability of fire spread.

If you don't remember everything in this list but still want to get started, simply walk around your home and make a list of areas that you would not want someone dropping a cigarette butt or shooting a firework into. Then, take action in those areas using Firewise principles. If you would like help, I would love to come over and develop a full plan for you. All plans are voluntary, free and confidential. Contact me at keithm@kcranch.org for more information or to schedule an appointment.

Watch for Wildlife, Avoid Collisions During Daylight Saving Time

Information provided by Colorado Parks and Wildlife

Changing your clocks with your driving habits during daylight saving time can help prevent wildlife-vehicle collisions. Wildlife experts advise drivers that wildlife is on the move, so be aware, drive with caution and slow down at night.

As drivers set their clocks back an hour for daylight saving time, they now experience dusk earlier, when more wild animals are migrating to their wintering habitats during rush hour traffic on highways.

As the sunlight fades during high-volume commutes, Colorado Parks and Wildlife asks drivers to stay alert and share the roads with wildlife. Autumn is the peak seasonal mating and migration time for many species, so drivers should watch for wildlife as they begin to experience darker commutes.

The Colorado Department of Transportation also advises motorists to stay vigilant, drive with caution and to slow down as winter storms often push wildlife from the high country into lower elevations.

“With the changing seasons and snow already in the mountains, we are seeing a lot of deer and elk across our highways that motorists need to look out for,” said CPW Assistant Area Wildlife Manager Steve McClung. “It is important for people to adhere to speed limits and remember that many of our highways have reduced speed limits from dusk until dawn to help prevent collisions with wildlife. Drivers should be aware of animals in town, on county roads, and on highways and to keep their eyes on the road and shoulders to help prevent dangerous collisions.”

Oh, Christmas Tree – Sale on Dec. 2!

By Matt Owen, Park Ranger Supervisor

The weather is crisp, the temps are dropping and before you know it, we will be getting ready for the holidays! In preparation, Ken-Caryl Ranch is hosting our annual Christmas Tree Sale at the Dakota Lodge on Saturday, Dec. 2 from 9 a.m. to 11 a.m.! This year, we will return to a first come, first-served event format. The type of trees provided will be Douglas Firs, which are cut down from the foothills open space and are more “natural” and will vary in size and shape. Rangers, with the help of volunteers, will display the trees next to the Dakota Lodge and barn as was done in the past. Additional trees will continue to be brought out throughout the sale. Refreshments will be provided by residents and realtors Brian Lee and Greg Milano with Colorado Home Realty (CHR)!

Donations (cash, check or credit card) are being accepted in exchange for the trees to offset expenses in the open space program. Limit one tree per family to ensure many families can enjoy this great tradition. For the annual tree sale, the Ken-Caryl Ranch Rangers harvest small diameter trees in the open space to improve wildlife habitat and overall forest health. The removal of the small trees reduces overcrowding and eliminates ladder fuels that can carry into a forest canopy.

If you have any questions about the Christmas tree sale, contact Matt Owen, Park Ranger Supervisor at 303-979-1876, ext. 170 or email matto@kcranch.org. Many thanks to Brian Lee and Greg Milano with CHR for generously sponsoring this event by providing hot drinks and donuts for attendees!

The Christmas Tree Sale is a hit with residents each year!

Thankfulness... Ken-Caryl Style

I am Grateful for the support of the Ken-Caryl Community through my many years as a resident.

I have enjoyed working with many of you in many different ways: schools, fundraisers, parks, pools, trails, bunco, history, the Manor House, all the community events that make the Ken-Caryl life special. We live in a beautiful place, but it's the people who give it meaning.

I appreciate you entrusting me with many of your real estate goals and needs. You, your children, parents and grandparents.

Thank you for enriching my life and for making this community such a fulfilling place to live and enjoy our families.

Hug your families tight this Holiday Season.

◆ SPECIAL EVENTS

Get Your Permit for our Cut-Your-Own Christmas Tree Program

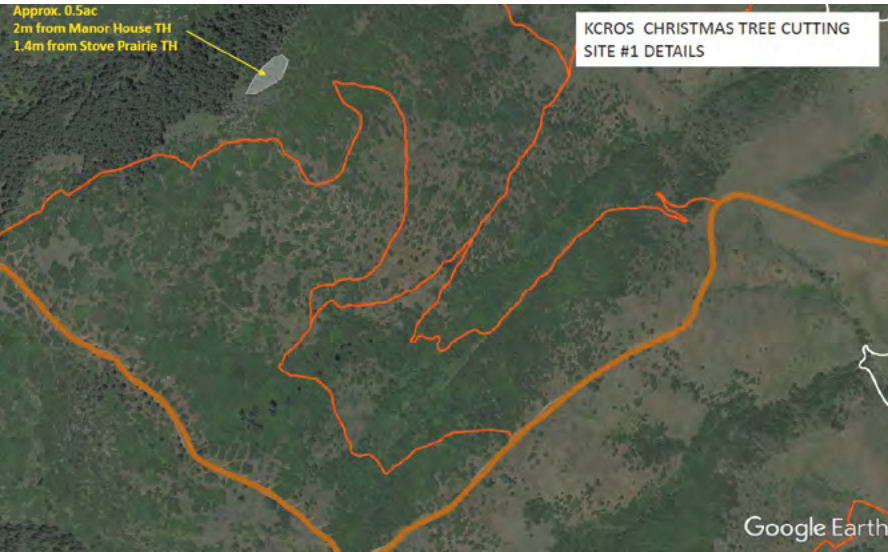

Cutting a Christmas tree in a national forest is a tradition for many families in our community. By cutting your own tree, you take an active part in managing your national forests! Once again, you can cut your own tree in our community's open space. The Ken-Caryl Ranch Master Association Open Space Department, Open Space Committee and Board of Directors, in accordance with the Ken-Caryl Ranch Forest Stewardship Plan, is supporting our second season of the Cut-Your-Own Christmas Tree Program as a nice addition to the annual Christmas Tree harvest/sale in Ken-Caryl Ranch.

The program will provide the community with an option to register for a permit, limited to 75 permits, one per family, to hike in the open space and cut a Christmas tree. The cost of the permit is \$10, and all proceeds will go to offsetting Open Space Department expenses. The goal of the program is to take areas that are not as accessible to bulk forest operations and allow volunteers to cut their own trees in a designated area where regeneration of Douglas Fir trees is reaching such a height that it begins to act as a ladder fuel for wildfire, generally, over 6 feet tall, and affects forest health due to the density of the amount of trees. Other trees may be found at the sites, including Aspen and Ponderosa Pines; however, these trees are not part of the project for removal by residents. Douglas Fir trees are soft and small needled trees. Guidelines for the program include the following:

- You must have a valid permit to cut and/or remove Douglas Fir trees in designated areas from Ken-Caryl Ranch open space. Boundaries of the Christmas tree cutting sites will be marked with flagging, "Timber Harvest Boundary" and several trees may have "Do Not Cut" flagging attached. Please refer to the site map that is printed below this article.
- You must stay within the designated cutting areas (see maps).
- No topping of Douglas Fir trees - cut to size once the full tree has been felled.
- Cut below lowest live limb - leave stumps no higher than six inches.
- Hand saw only; no gas or electric saws allowed.
- Avoid damage to other trees.
- No vehicles, bikes, or horses are permitted. This program is for hikers only.
- Tree harvest dates; Nov. 19 – Dec. 15.

What a great way to support your Open Space Department and receive a beautiful tree for the holidays! For more information on the Ken-Caryl Forest Stewardship Plan, you can visit our website at <https://ken-carylranh.org/download/foreststewardship-plan/>. Permit applications may be purchased via the Special Events page of our website at www.ken-carylranh.org in early November. You can also view a harvest area map and pictures of trees on the Open Space page of the website. Questions may be directed to the KCRMA Park Rangers at 303-979-1876, ext. 170.

NOTE - While cutting and transporting your own Christmas tree from open space is a rewarding and great way to spend time with family, please be aware that it requires intense physical exertion including, walking long distances, hiking off trail, and standing on uneven ground and steep slopes. Be prepared for snowy and icy conditions and cold temperatures. For safety, residents are encouraged to dress in layers and to take plenty of breaks, as needed.

Designated cutting site for this year's Cut-Your-Own Christmas Tree program.

Annual Toy Drive Helps Kids in Need

The holidays are right around the corner, and it is full steam ahead for the organizers of the Denver Santa Claus Shop (DSCS), as they plan on keeping with tradition and their mission of "A Toy for Every Girl & Boy", with a toy drive this holiday season! In support of this mission, Ken-Caryl residents and realtors Brian Lee, Greg Milano, Amy Bassett and Tara Byrnes of Colorado Home Realty are coordinating a toy drive with Ken-Caryl Ranch, Nov. 9 – Dec. 7. The concept is to provide free, NEW toys to children ages newborn to 11 years old who might not otherwise have gifts to open at Christmas.

Donations will be accepted between Nov. 9 – Dec. 7, during normal business hours at the Community Center, Monday – Thursday from 6 a.m. – 7 p.m., Friday from 6 a.m. – 5 p.m., Saturday from 8 a.m. – 4 p.m. and Sunday from 9 a.m. – 1 p.m. Donations may also be dropped off at the Ranch House, Monday through Thursday from 9 a.m. – 4 p.m. Please note that the Ranch House is closed on Fridays.

This year, donations will also be accepted at Brian Lee's home at 2 Golden Aster; Greg Milano's home at 2 Coyote Lane in the North Ranch; Amy Bassett's home at 10 Golden Aster; and Tara Byrnes home at 7 Mountain High Court.

In addition, those interested in donating a new toy to a child can do so by purchasing items directly from the

Denver Santa Claus Shop's Amazon Wish List at <https://amzn.to/3GvnXJ9> or Walmart Wish List at <https://bit.ly/45w6L16>. Items purchased from these lists will be shipped directly to the organization for special delivery to children in need.

If you would prefer to make a monetary donation, you may Venmo DSCS directly at @DSCS-1932. The Denver Santa Claus Shop's Elves will then purchase new toys on your behalf. The majority of toys are \$25 or less. Monetary donations are extremely impactful, as our elves can purchase toys in bulk.

"We are honored to help our wonderful community provide toys to less fortunate families," said Brian, Greg, Amy and Tara.

The Denver Santa Claus Shop provides toys to nearly 13,000 children each year. That's a lot of happy smiles! For more information on this program, please visit the Santa Claus Shop's website at denversantaclausshop.org.

Fairy Tale Ending
 Helping our furry friends find homes.

Every adorable, adoptable resident of Foothills Animal Shelter lacks only one thing: a happy home. Please consider adopting one of this week's featured pets:

Carly (233754) –
 Carly is a 4-year-old female Border Collie/Labrador Retriever mix. Her former owner says extra-smart Carly is protective of kids (in the best way), affectionate and playful. She can be anxious and will do best in a home that supports her in navigating new environments. Carly is available to families without kids or with kids aged 10 or older.

Marilyn (287698) –
 Marilyn is a 5-year-old female cat. This sensitive girl is uncomfortable at the shelter and in need of a calm, stable home where she can get back to her cuddly, playful self. She is available to dog-free homes without kids or with kids aged 10 or older. Marilyn would love to go home with her friendly, fluffy, feline friend Scarlett (287698) for a shared adoption fee.

To find out more about Carly, Marilyn and other deserving pets in need of good homes, visit www.FoothillsAnimalShelter.org.

Ageless & Unstoppable

Due to its immense popularity, Ageless & Unstoppable, Programming for Seniors, Retirees and Adults, will continue throughout the year! Join us for fun, educational and entertaining adult-oriented programming from 11 a.m. – 12:30 p.m. in the Shaffer Room at the Ranch House on the first Tuesday of each month through the end of the year! No registration required. For additional program dates and topics, please visit the Adults & Seniors page of our website at www.ken-carylranh.org.

Christmas Tree Sale

Why spend hundreds on a Christmas tree this year when you can take part in Ken-Caryl's annual Christmas Tree Sale at the Dakota Lodge on Saturday, Dec. 2 from 9-11 a.m.? This year, the event will be on a first come, first served basis. KCRMA Rangers will have fresh trees for residents to choose from. Unlike the trees found in Christmas tree sale lots, these trees are more "natural" in shape, but they will still fill your home with traditional Christmas spirit – and the delightful scent of forest! The rangers are requesting donations (cash, check or credit card) in exchange for the trees to offset expenses in the Open Space program. Limit one tree per family to ensure many families can enjoy this great tradition. Hot drinks, treats, merriment and music will be part of this event!

Holiday Happenings

Embrace the holiday season with a delightful combination of festive activities, including crafting, enchanting horse-drawn carriage rides, delectable holiday treats, joyful Christmas carols, a tempting hot chocolate bar, a thrilling holiday scavenger hunt and the chance for cherished photos with Santa. Registration for Santa photos is already full, but residents are still welcome to add their names to the waitlist via our website at www.ken-carylranh.org. Residents are also encouraged to attend the event and enjoy all the other amazing activities!

Cut-Your-Own Christmas Tree Program Returns!

The Ken-Caryl Ranch Master Association Open Space Department, Open Space Committee and Board of Directors, in accordance with the Ken-Caryl Ranch Forest Stewardship Plan, has approved a Cut-Your-Own Christmas Tree Program again this year as a nice addition to the annual Christmas Tree harvest/sale in Ken-Caryl Ranch. The program will provide the community with an option to register for a permit, limited to 75 permits, one per family, to hike in the open space and cut up to three Christmas trees. The cost of the permit is \$10, and all proceeds will go to offsetting Open Space Department expenses. Permits are available for purchase online via our website at www.ken-carylranh.org while supplies last. Harvest dates run from Nov. 19 – Dec. 15.

Veterans Day Breakfast Honors Veterans and their Families

In celebration of those who served our country, Ken-Caryl Ranch hosted a Veterans Day Breakfast at the Ranch House on Nov 11. More than 50 attendees comprised of veterans and their families were treated to breakfast that included pancakes, eggs and coffee. They also enjoyed music, courtesy of 13-year-old Joseph Sanso, a 7th grader at Bradford Middle School, who entertained guests with his violin. Joesph, an award-winning and accomplished musician who won the Colorado State Competition in October 2023 and most recently, earned first place at the American Protégé International Music competition at Carnegie Hall, wanted to play at the event to honor of his late grandfather who served on the USS Missouri.

In addition to breakfast, attendees were also honored with a slideshow that ran through the duration of the event and featured photos of the veterans as a thank you for their service.

A special thank you to Platinum Event sponsor Gravina's Window Center of Littleton and Gold Sponsor Karan Lamar with Coldwell Banker.

The Ken-Caryl Ranch community is also very fortunate to have its very own Veterans monument at the northwest corner of Community Park. This monument is a reflection of the work of local Ken-Caryl Ranch veterans who spent their time and energy to create a space to honor and recognize the men and women who have served or are currently serving in the United States Armed Forces. The monument is a tremendous community and regional asset, and provides a wonderful opportunity for all residents, visitors, and guests to stop by, reflect and honor those who have served our country.

Resident veterans and their families were honored at the Dakota Lodge with a free breakfast, photo spread and the musical talents of 13-year-old violinist Joseph Sanso. All photos courtesy of resident photo contributor, resident and veteran Wayne Broussard.

Joseph Sanso performs for veterans and their families at the Veterans Day Breakfast on Nov. 11.

The Spirit of Community: Halloween Event Unites Kids and Kids at Heart

By Allison Rager, Editor

The spirit of community is strong in Ken-Caryl Ranch. As part of their Parties with a Purpose, third grade students at Shaffer Elementary School partnered with Brookdale Senior Living, located in the Ken-Caryl Ranch Plains, to help spread joy and community “spirit” on Halloween. The students painted festive pumpkins and delivered them to Brookdale’s senior residents as a special “treat,” which included parading through the assisted living facility – literally – in their Halloween costumes on Oct. 31.

The Halloween event was a partnership between Shaffer Elementary and administrators Mya Thompkins and Lori Eisen with Brookdale Senior Living’s Ken-Caryl location to help connect the generations and to provide joy, companionship and conversation. The event was part of Shaffer’s commitment to Parties with a Purpose, an initiative that encourages students to connect with their community.

“A few years ago, Shaffer Elementary started Parties with a Purpose, meaning that the classroom parties would have an element of giving back to the community,” said resident and classroom coordinator Kelley Land. “For example, a classroom may do thank you cards and send them to the troops or gather mittens and hats for a local non-profit organization... this year, we decided on a plan for the third graders to decorate pumpkins, donated by one of the teacher’s dads, and deliver them to the wonderful residents at Brookdale.”

Kelley, who serves as a classroom coordinator for her son Treyson’s third grade class and was the brainchild behind this year’s activity, felt that the residents of Brookdale would greatly benefit from a visit by the children. She connected with Mya Thompkins, Brookdale’s Resident Programs Manager, to coordinate this year’s reverse trick-or-treating Halloween event, where deserving adults would be the “treat” recipients.

The event kicked off with a pumpkin painting class activity on Oct. 27 in each of the third grade classrooms. Following the school’s annual costume parade around the school on Halloween, about 80 students took a short walk over to Brookdale Senior Living and paraded around the halls, visiting with seniors at each of their residences to deliver their festive pumpkins and to spread joy.

Resident and Centenarian Ruth Ann Gartrell was delighted by the kids’ visit and was the proud recipient of several festive pumpkins.

A cornucopia of community! Pumpkins were painted by students and were delivered to the residents of Brookdale Senior Living.

Reverse trick-or-treating. This Halloween, students paraded down the halls of Brookdale Senior Living’s Ken-Caryl location and went door-to-door to deliver pumpkins to the facility’s residents.

Teachers Mrs. Wall, Mrs. Skeen, Ms. Garin and Mrs. West, along with several classroom coordinators and parents, then had the opportunity to connect with residents through conversation and camaraderie.

“We absolutely loved being able to visit the assisted living home for Halloween, and we think it gave our third graders the opportunity to serve others and bring joy to their community,” said Shaffer Elementary third grade teacher Jamie Garin. “Our kids were able to get out of their comfort zones and have conversations with people that they normally wouldn’t get to talk to and bring some holiday fun to Brookdale.”

One resident, 100-year-old Ruth Ann Gartrell, whose great-grandson is a Shaffer Elementary student, was delighted by the visit from the children and received a total of four pumpkins! She attributed her longevity and good “spirits” to faith, family, and friends, which is a testament to how powerful community connections are to the health and well-being of others.

“I believe it is important to instill giving (time, money, talents) into our children’s hearts,” said Kelley. “There is no better way to do this than to have the children themselves see the fruits of their efforts and the joy on people’s faces when you help and give back to your own community. It was an amazing sight watching the two generations interact. The joy on the seniors faces, and the kindness in each child’s face. Since the event Mya, from Brookdale, has reached out and we are already planning ongoing events to continue this community relationship!”

Students bring joy to the residents of Brookdale Senior Living.

Defensible Space is your property's front line defense against wildfire. Creating and maintaining defensible space around your home can dramatically increase your home's chance of surviving a wildfire and improves the safety of firefighters defending your property. 100 feet of defensible space is required by law.*

TWO ZONES MAKE UP THE REQUIRED 100 FEET OF DEFENSIBLE SPACE:

ZONE 1: 30 feet of Lean, Clean & Green

- 1 Remove all dead plants, grass and weeds.
- 2 Remove dead or dry leaves and pine needles from your yard, roof and rain gutters.
- 3 Keep tree branches 10 feet away from your chimney and other trees.

ZONE 2: 30-100 feet of Reduced Fuel

- 4 Cut or mow annual grass down to a maximum height of 4 inches.
- 5 Create horizontal spacing between shrubs and trees.
- 6 Create vertical spacing between grass, shrubs and trees.

Use Equipment Properly to Keep from Sparking a Wildfire

- 7 Mow before 10 a.m., and never on a hot or windy day. String trimmers are a safer option (vs. lawnmowers) for clearing vegetation.

VERTICAL SPACING

Large trees do not have to be cut and removed as long as all of the plants beneath them are removed. This eliminates a vertical "fire ladder."

HORIZONTAL SPACING

Create horizontal and vertical spacing between plants, the amount of spacing will depend on how steep the slope is and the size of the plants.

Life at Ken-Caryl Policy: Letter to the Editor

LETTERS TO THE EDITOR ARE WELCOME AND ENCOURAGED from any Ken-Caryl resident in good standing or from any elected official or political candidate. Letters should be concise — no letters over 350 words — and must be received by the published deadline date and time. Deadline dates and times can be found at www.ken-carylranh.org.

The preferred method for submitting letters to the editor is by email to Allison Hefner at allisonh@kcranch.org, but they may be mailed or hand-delivered to the Ranch House, Attn: Allison Hefner, 7676 S. Continental Divide Road, Littleton, CO 80127. A response will be sent via email when a letter or article is received. If you do not receive a response, call 303-979-1876, ext. 108, to confirm receipt.

We do not print anonymous letters. Letters must include name, address and phone number (daytime), but only the author's name and "Ken-Caryl Resident" or applicable government office will be printed in the paper. Residents may submit up to eight letters to the editor per calendar year. More than one letter per resident may be published in a single issue of the paper provided that the letters are not about the same subject. Letters will be printed on a space available basis and may be edited. Editor retains right to appropriateness and content.

Letters will be published with plain text; use of all caps, italics, bold or excessive exclamation points will not be allowed. Published letters to the editor do not necessarily reflect the views or opinions of the Master Association, its directors, officers, employees, agents, staff, *Life at Ken-Caryl* or its editor. Neither the editor nor the Master Association accepts any responsibility for the content of these letters. Writers accept full responsibility for their written word. Letters should comply with acceptable standards for courtesy and respect.

Email to allisonh@kcranch.org.
Deadline for Dec. 6 paper is Nov. 27 at 9 a.m.

ISSN 0899-6318

Life at Ken-Caryl is a private newspaper published every other week by the Ken-Caryl Ranch Master Association. OUR PURPOSE is to bring timely information to the residents of Ken-Caryl Ranch.
