## With Gratitude

By Brian Yowell, MA General Manager

In the tapestry of our community, there are threads of dedication, compassion and generosity that weave together to form the vibrant fabric that is Ken-Caryl Ranch. At the core of this tapestry are our volunteers. Their selfless contributions and unwavering commitment serve as the foundation of our community.

It's impossible not to be filled with gratitude and admiration when I reflect on the countless hours, dedication and passion gifted to the community

through our volunteers. These individuals, who graciously give their time, energy and expertise, embody the spirit of neighborliness and cooperation that should define us all.

At the helm of our volunteers is our Master Association Board of Directors. Challenged with representing the whole of the community, driving strategy for the Master Association, navigating through difficult decisions, championing staff and guiding our future, board members dedicate an incredible amount of time, expertise and energy into shaping Ken-Caryl Ranch.

With the common thread of making our community a better place to call home, the volunteers of the Architectural Committee, Community Planning Committee, Covenant Control Committee, Election Committee, Equestrian Center Committee, Firewise Committee, Historical Society Committee and Open Space Committee work tirelessly. Our Task Forces, such as the South Hogback Task Force, the Fence Task Force and the Dog Park Task Force have helped shape and guide decisions that will affect every resident of Ken-Caryl Ranch. The Senior Club, Art Guild, Conservation Club, Trail Club, Weed Warriors, Ken-Caryl Ranch Foundation and the Volunteer Trail Coordinators play a critical role in the success and fulfillment of our community.

The impact of their work extends far beyond the tangible outcomes we see throughout our community. By fostering a sense of belonging and unity, community volunteers cultivate an environment where residents feel valued and connected. Through their actions, they inspire others to take pride in our community and actively participate in its upkeep and continued improvement.

I would like to recognize the diversity of talents and perspectives that our volunteers bring to the table. From seasoned professionals to passionate enthusiasts, each individual contributes their unique skills and insights, enriching our collective experience and broadening our horizons. This diversity of thought and expertise strengthens the fabric of our community, ensuring that we remain resilient and adaptable in the face of adversity, change and growth.

I invite every resident and business owner to join me in extending a heartfelt thank you to our volunteers, past and present. Your dedication and generosity embody the true spirit of community, and your contributions leave an indelible mark on the lives of each and every one of us. Together, let us continue to build a brighter future for our neighborhood, guided by the enduring values of unity, compassion and service.

Thank you, from the bottom of our hearts, for all that you do. At your service,

Brian Yowell

# A Heartfelt Thank You

By Darci Cross, Community Administrator

A heartfelt thank you to our Ken-Caryl Ranch Rangers and the Parks Department.

In the wake of the recent storm that swept through our community, leaving behind a trail of debris and challenges, I wanted to take a moment to express my heartfelt gratitude to each one of you for your exceptional dedication and hard work.

The monumental task of cleaning up after such a powerful storm is no small feat, and yet your tireless efforts have not gone unnoticed. From clearing

broken branches to tackling downed trees and navigating through vast amounts of snow, you've demonstrated an unwavering commitment to our community's well-being.

Your passion for what you do shines through in every task you undertake. The countless hours you've devoted to improving the conditions of our trails, greenbelts, facility parking lots, sidewalks and parks to ensure the safety and enjoyment for all who benefit from

them is truly admirable.

I want to extend my deepest gratitude, first as a resident of Ken-Caryl Ranch and also as a co-worker for your sacrifices, hard work and your incredible spirit. Your contributions make Ken-Caryl Ranch a better place, and for that, we are profoundly grateful.

And as always, be kind! Darci

#### **RANGER FIELD NOTES**

# Landscape Projects in Spring

By Gary Norton, Park Ranger

Spring is a great time to start home projects. If your home borders open space, it is important to respect community property and restrict activities to your own property. The following is a list of activities that the ranger staff commonly see in the open space adjacent to homes:

#### Dumping

• Grass clippings, branches, potted plant soil, yard waste, (including construction debris) and dog feces.

Yard waste containing seeds of non-native plants can germinate and crowd out native and other desirable plants in the open space. Dump piles can suppress and kill underlying native plant growth and provide habitat for rodents and snakes that you may not want living close to your house. The opens space is not a public dumping area, but is shared by everyone to enjoy.

#### Driving in open space

• Contractors using open space to access owner's property, transportation of materials, bobcat/machinery or any other unauthorized vehicles in open space are prohibited. Taking the time to communicate with your contractor/ field staff and knowledge of your property line is the correct way to begin a project.

Harm to the open space includes destruction of property, bare spots that are susceptible to weed invasions (expensive to fight noxious weeds), unsightly scars left in the open space and erosion of bare soil.

#### **Excessive mowing**

• Mowing beyond the allowed ten-foot (10') wide swath where private property meets open space.

Excessive mowing prevents seed development of native plants not allowing them to reseed, some native plants can be killed by excessive mowing, variations in excessive mowing creates an unsightly mosaic of the private property/open space boundaries.

#### Structures

- Retaining walls, stone pathways or trails and extension of private landscaping
- Bird feeder/house, play equipment (swing sets, trampolines, etc.)
- Fences, including invisible dog fences

**KITCHENS • GREAT ROOMS** 

**BATHROOMS • BASEMENTS • FIREPLACES** 

STAIRCASES • INTERIOR ROOMS

AVERICK

Structures of any kind

The use of open space for personal benefit is unfair to other property

#### Planting in open space

 Trees, shrubs, non-native vegetation, or any other non-approved plantings. Planting non-native species can compete with native species. Plantings that are not cared for can die and become a hazard.

The ranger staff request that residents think about the potential impacts to open space before starting their projects. By avoiding the activities outlined above, the open space will continue to be a valuable resource for the entire community. If you have any questions, you can reach me at 720-512-3525 or by email at garyn@kcranch.org.

### POOL CUES

# 2024 Ken-Caryl **Pool Updates**

#### **Pool Pass Registration Now Open**

Resident pool pass registration is now open for the 2024 season. As a reminder, all residents looking to access the pool for free MUST register online before visiting the pools. No need to get a new pool key fob if you have yours from last year; just register online and the old fob will work! Please stop by the Ranch House or Community Center during business hours if you would like a fob. Pool staff can't issue fobs.

For entry into the pool you may use the following:

- an activated fob (if you had a fob for your pool pass in 2023, when you register this year it will automatically update)
- a photo of your activated fob
- a photo of the barcode on your receipt when you register for a pool pass

If you don't have any of these but did register, staff can check you in by searching your name. This is less ideal as it takes time when other patrons are waiting to check in.

Our pools will be adopting a cashless payment policy this summer. All nonresidents visiting the pools are encouraged to purchase their passes online before arriving at the pools. In-person payment methods accepted are credit or debit card, Apple Pay and Google Pay.

Residents may register for their pool passes via our website at www.kencarylranch.org and click on the teal Register icon located at the top right corner of your screen.

#### **Ranch House Pool Climbing Wall**

We're thrilled to share the news of an upcoming enhancement to the Ranch House pool! As part of our 2024 season, we're introducing a climbing wall in the dive well, situated opposite the diving board. This exciting addition will be open for guest enjoyment all summer long!

#### **Staff Supervisor Position**

We are seeking to recruit four Aquatics Staff Supervisors whose main duties involve overseeing lifeguards, assuming a leadership and mentorship role in daily operations, providing staff training, upholding rigorous standards for lifeguard skills, and prioritizing the safety of both visitors and staff.

**Pool Rule Updates:** In order to create a positive environment for all users, the Ken-Caryl Ranch Metropolitan District is updating pool rules. Staff is prioritizing making the pools a fun and safe place. The full pool rules are on our website, but here are a few key updates for this year:

- Children under the age of 7 and all non-proficient swimmers regardless of age must be within arm's reach of a parent or chaperone (at least 16 years of age) at all times, including when in the water.
- Children under the age of 12 must be accompanied by a parent or chaperone (at least 16 years of age) at all times

Complete Pool Rules can be found at https://ken-carylranch.org/programs/ aquatics/pool-regulations/.

#### Weather Cancellation Policy and Updates

Pools will close for the day if the high is forecasted to be 60 degrees or less otherwise, they will remain open regardless of attendance.

# Choosing the Right Contractor for Your Parking Lot

By Jo Taylor, Resident, Colorado Public Works Journal

An asphalt parking lot can be a durable one, if it is installed correctly and it is regularly maintained. The Ken-Caryl Ranch Master Association (KCRMA) recently had to repave their Ranch House administration building parking lot and had several challenges to overcome. Colorado Public Works Journal's Jo Taylor, who happens to be a local resident, talked to Master Association General Manager Brian Yowell about his experience using CAPA members; Quality Pavement Consultants and CASI for their project.

"This was the original parking lot from when the Ken-Caryl Ranch House was built in 1979, and even though we had had some sealcoat and patching done over the years, we knew it was time to have it repaved."

One of the major issues in the parking lot Brian told me was drainage, "We have several low spots that cause water to sit, which would result in pooling and ice buildup in the winter months. Another was curbing. Curbs that were designed in 1974 now caused bottle necks and were no longer serving us to maneuver vehicles in and out effectively. We wanted a contractor to be able to address these problems and provide us with a solution."

Jarrett Welch of Quality Pavement Solutions was hired as a Consultant/ Project Manager to the KCRMA to assess their situation and come up with recommendations and a budget to present to the Master Association Board. The scope of work was then put out to bid to three companies. The criteria being that Jarrett had personally worked with the companies before and could therefore vouch for their work and that they were members of Colorado Asphalt Pavement Association.

Brian said, "Jarrett was well versed with our issues. He knew that we had to keep the facilities open to the public throughout the duration of the project, giving residents access to our sports amenities. He understood how to correct the drainage problem by removing the existing concrete curbs and raising them to the correct elevation. At the same time in doing so, making the lot ADA compliant by introducing ramps at the 2% grade that is now legally required. This gave us the confidence that he was the right person for the job."

A full depth reclamation overlay like this one required the testing of aggregates at every level. These tests were performed by Advance Testing Services. The asphalt was supplied by CASI directly from their plant. A parking lot is designed to last for 20 or so years with the continued maintenance.

# 2023 Annual Report

#### Message from the District Board President

by Joe Levy, President, Ken-Caryl Ranch Metropolitan District Board

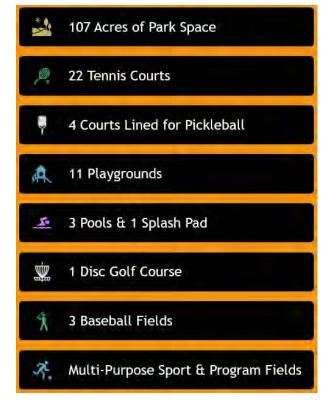

The Ken-Caryl Ranch Metropolitan District is pleased to present the 2023 District Annual Report for the benefit of all residents. Your Metro District (Ken-Caryl's parks and recreation services group, funded by property taxes and program user fees) is managed separately but cooperatively with the Ken-Caryl Ranch Master Association (Ken-Caryl's homeowners association, funded mainly by HOA dues). This report provides a high-level overview of the District's accomplishments and finances, which we hope will help you understand the state of your community. We publish a budget every year with a complete narrative, but this year is the first time the District has produced this kind of annual report. Staff would love your feedback on how to improve the report. Feel free to reach out to District Manager Traci Wieland at traciw@kcranch.org or 303-979-1876, ext. 136, or contact the elected members of the District Board at mdboard@kcranch.org.

# What is the difference between the Metropolitan District and the Master Association?

The District is the governmental entity that provides maintenance in the parks, greenbelts, and facilities. The District also provides recreational activities such as youth programs, adult enrichment, fitness, and aquatics for the enjoyment of the community. Revenue needed to operate the District is generated through property taxes and program fees. The Master Association is the HOA that oversees covenant and architectural control, Master Association-owned open space, trash and recycling services, the Equestrian Center, and community communications. Ken-Caryl voters gave the two organizations these different responsibilities in 1988. Our community thrives when both organizations thrive, working together to ensure that amenities and services for the community are the top priority.

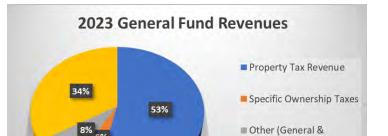

### What guides the District's decisions?

The District Strategic Plan emanated from the 2021 Community Survey and builds upon the goals established by the Board of Directors in 2017. The strategic plan provides goals, strategies, and action steps for the next three to five years. The intent is for this plan to be reviewed and updated annually and to serve as a roadmap for the District.

## 2023 Financial Summary

The District continued to improve processes, maintain efficient staff levels with an 11% reduction in Full-Time Equivalents since 2018, successfully completed nearly \$1 million in deferred capital and maintenance projects, and due to ongoing financial sustainability, was able to start 2024 with a \$2.25 million transfer to the Capital Reserve Fund. For the fourth year in a row, the District has demonstrated its commitment to fiscal responsibility and accuracy by presenting an unmodified audit. The District also pursued additional funding opportunities and secured approximately \$350,000 in grants. The Board continues to contemplate long-term funding strategies for infrastructure and capital improvement projects.

# Local Residents to Represent Team USA at the UCI World BMX Competition

By Alicia Pucci, Resident and Allison Hefner, Editor

The 2024 UCI BMX World Championships are scheduled to take place in Rock Hill, South Carolina on May 12 - May 18. This thrilling event will draw riders from 48 countries and attract over 50,000 spectators to the Rock Hill BMX Supercross Track. It's a fantastic opportunity to witness top BMX talent competing just before the Summer Olympic Games in Paris, France. And this year, the dynamic Pucci-Noyola duo will be participating in the event to represent Team USA! Valley residents and siblings Dynamite Daisy Pucci and Gnarly Charlie Noyola - as they are known on the BMX circuit - will be competing for top dog honors at the annual competition!

Charlie and Daisy have raced their way straight on to Team USA as they prepare to compete at the UCI World BMX Competition later this spring. According to mom Alicia Pucci, Charlie and Daisy finished in the top 10 in the USA last year. Rankings come out at the USABMX Grand National in Tulsa Oklahoma. Daisy earned a National Age Group #4 plate and Charlie a National Age Group #9 plate. Their parents, Alicia Pucci and her husband Mark Noyola, couldn't be more proud of their kids!

What is BMX you ask? BMX is short for bicycle motocross. BMX races are held on a dirt track and are sprint races on off-road single lap tracks. There can be up to eight racers in the starting gate. Once the gate drops, racers ride through a series of hills, curve whoops, and sometimes jumps, to get to the finish line first. Most races take under 1 minute! In addition to speed, racers need to make quick decisions to win.

According to Alicia, Charlie and Daisy have been bike lovers from very early on in their childhood.

"The minute Charlie tried a balance bike at a local park, he was hooked," said Alicia. "He hopped on and was off...no training necessary! Once little sister was steady on two feet, she also started striding. In fact, when Daisy was three, she was asked to be the face of Strider in their ad campaigns. Both Charlie and Daisy started competing in BMX in 2021. Both of them are also the Colorado State Champions in their age groups."

#### **OUR COMMUNITY**

was a daily activity for the Pucci-Noyola family, and the passion for BMX started in those long afternoons during the pandemic when Mark took his kids to pump tracks to get them outside and active. According to Alicia, it was there they learned about the local BMX tracks and participated in a few races.

According to Alicia, there are four UCI Qualifier races in the country and a participant must finish top 8 to qualify for Team USA. The kids are proud of their accomplishments to have qualified to race in the BMX World Championship in May.

"I am excited and nervous at the same time," said Daisy, a 3rd grader at Bradford Elementary School. "But I am ready to win!"

Charlie is equally as excited to compete and is looking forward to the Championships in May.

"What I think about qualifying for the Worlds in BMX is I feel like it has taught me a lot and shown my true strength," said Charlie, a 5th grader at Bradford Elementary School. "This has taught me a lot because l've seen riders give up and stop trying, but I realized that I should never give up in any circumstance. In my case, I broke my wrist at the second of four gualifiers. When I went to the fourth and last qualifier, I knew it was my last chance. I had the mindset of "nothing can stop me," and I believed I could qualify. I feel like I have made a huge improvement since I started BMX four years ago."

Siblings Charlie Noyola and Daisy Pucci will be competing in the 2024 UCI BMX World Championship in South Carolina this sprina.

Parents Alicia and Mark also share in their kids' excitement, but also try to maintain a balanced life for their children.

"We have been navigating the ranks of BMX for 3 years now, and our main goal is to keep them moving forward in the sport - but most importantly, we want them to enjoy it," said Alicia. "We try to balance the regime of BMX with their other interests. Both Charlie and Daisy really love school, they are very creative and constantly are trying new art ideas. They both played basketball this winter. Charlie will play Junior Team Tennis and Daisy is trying the school play. BMX at this level is a big commitment for our entire family, but we feel it is worthwhile. They learn numerous life lessons on that track, and we are grateful we can be there as their biggest fans."

Alicia explains that BMX is a sport that welcomes all - all ages, genders and skill levels can get involved. Class ages range from under 5 to 60 and over. If you are interested in trying BMX, there are two local tracks available, one conveniently located in Lakewood and the other in Highlands Ranch.

Alicia adds that BMX is a sport that depends on volunteers.

"We are always looking for help grooming tracks, running concessions and line judges to help keep score at races," notes Alicia. "This is a wonderful opportunity for teens to earn community service hours or just be part of a fast-paced, up-andcoming sport in our community. Please reach out to the local tracks for

# **Dear Editor**

I'm writing once again to beseech my fellow KC brethren and sistren and all the peoples of the KC community to participate. As you may have seen, we residents have been presented with a unique and timeless opportunity to contribute — but you must act fast. The deadline for you to make an impact is March 29 — just 2 days away from print day. Act now before it's too late. What is this opportunity? It's the naming of "Parcel A," on which construction begins soon.

What name should you vote for? Well, as is customary and well established for all upstanding citizens who are rooted in the Public Naming Contest domain, the only true and rightful name for "Parcel A" is "Landy McLandFace." This is not merely my opinion, but backed by tradition and deep roots, inspired originally by the EU's Natural Environment Research Council. You can find out more for yourself in the NY Times (nytimes. com/2016/03/22/world/europe/boatymcboatface-what-you-get-whenyou-let-the-internet-decide.html). This tradition has led us all to great brands and attractions such has "Lager McLagerface," "Fishy McFishFace," "Horsey McHorseface," "Ferry McFerryface," and many more: See: en.wikipedia.org/wiki/List\_of\_Mcface\_ spoofs. We owe it to our community to continue this great tradition as we break ground on Parcel A in KC.

I challenge you, KC, to consider our calling and the future of our community. Please consider what Brian so eloquently called us to do in the latest *Life at Ken-Caryl* edition: "To work together for the good of the community." Now is your chance. Let's work together with one voice to uphold tradition for the good of the community. Your vote is not just a privilege: It's a responsibility. Vote "Landy McLandFace" for "Parcel A." Vote now, vote here, at ken-carylranch.org/ parcel-a-naming-invitation. Sincerely, an empowered citizen, Will Wegert, Resident Editor's Note: The selection of Parcel A's name will not be open for public vote. Parcel A's name will be chosen at the discretion of the Master Association staff with input from the Architectural Committee. All submissions must adhere to acceptable standards and be appropriate for all ages.

# Here's what our clients are saying!

I very much recommend Dave and Diana. I was selling my home that I had lived in for about 30 years, so it could have been very stressful. Dave and Diana helped me every step of the way and were excellent with giving advice on getting my home ready to show both inside and out, pricing it, communicating, and just going above and beyond in all situations. I felt like I had a friend helping me along. And with their knowledge of the area, they are truly a great resource. I am grateful that I chose to work with them.
