

Ranch House Pool Feedback

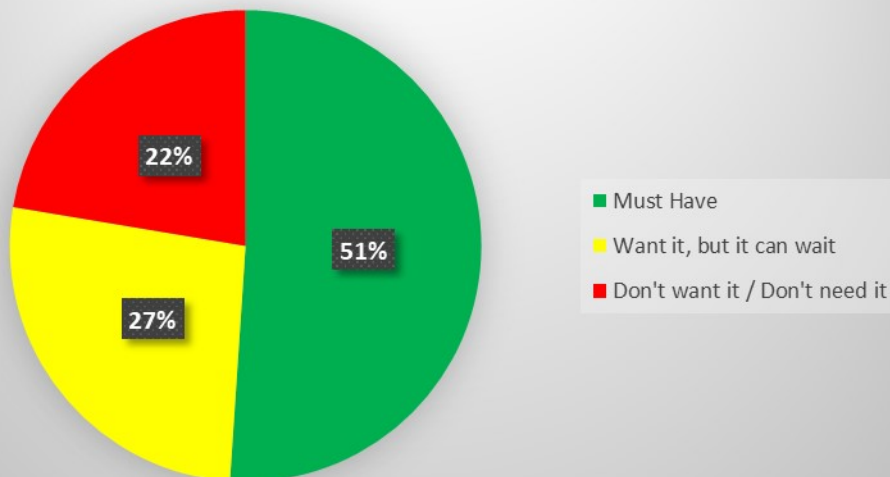

What is your overall impression of the pool design?

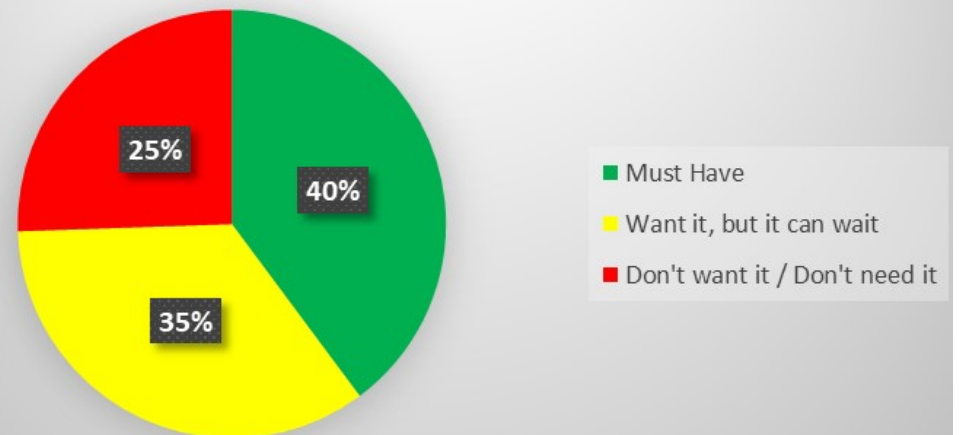

If your household could choose one amenity, which one would it be?

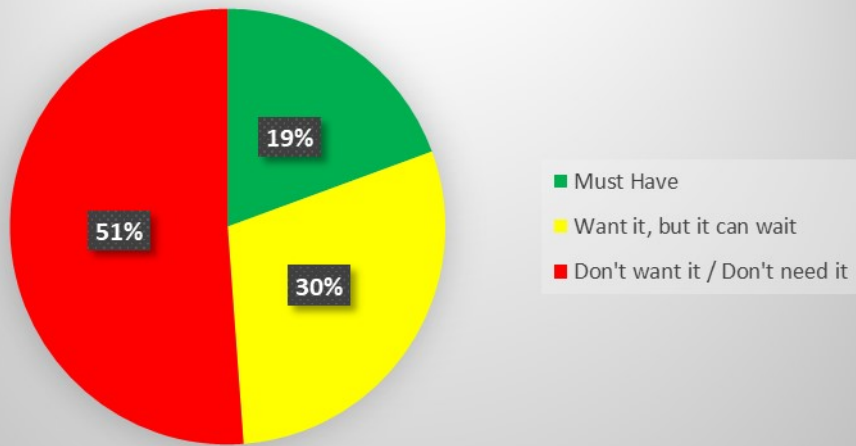

Play Features (in zero-entry/shallow area, \$70,000)

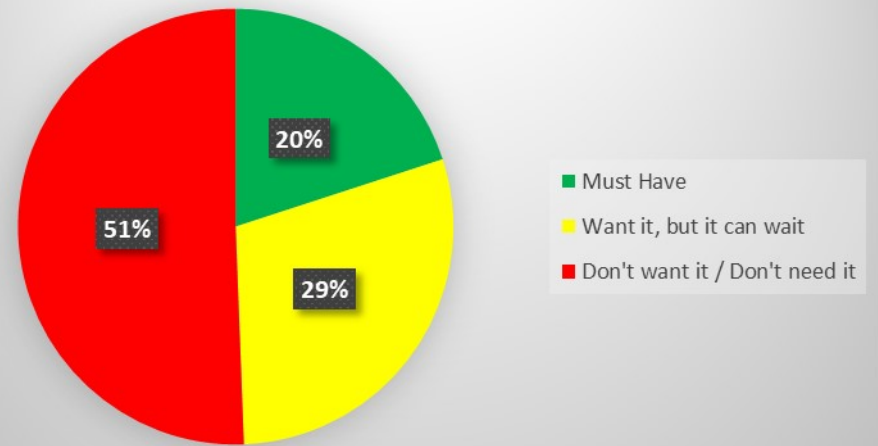

Shade Sail over zero-entry/shallow area (\$32,250)

Colored Concrete (\$17,000)

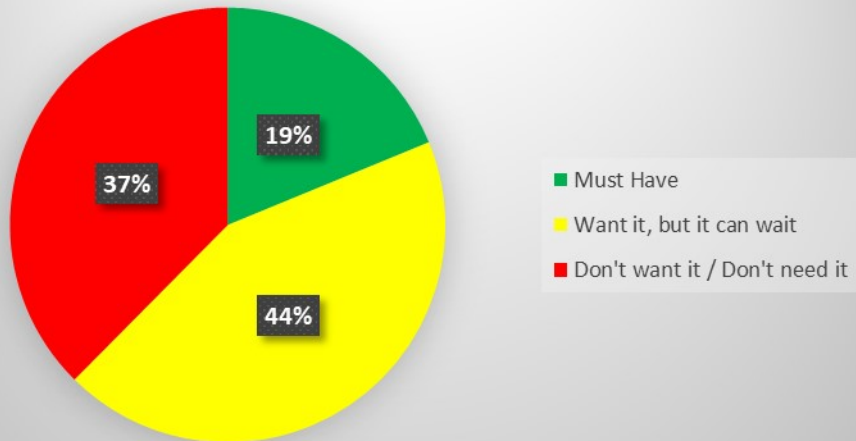

Aquatic Climbing Wall (\$35,000)

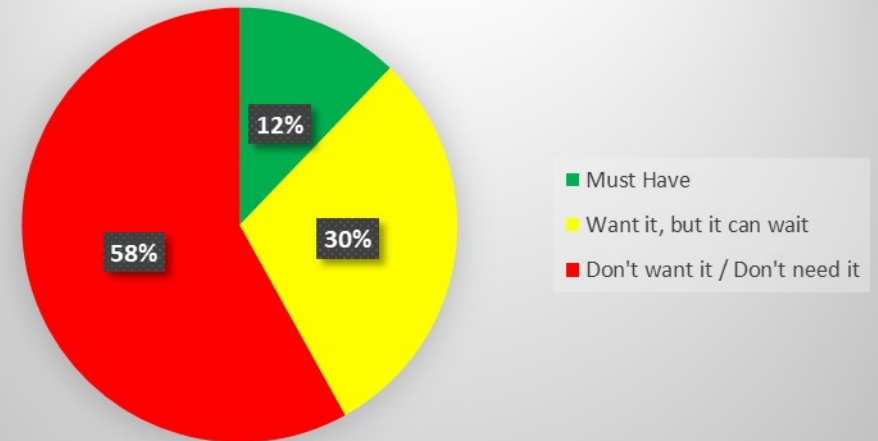

Note: Current budget includes 20% colored concrete.
Additional \$17,000 would add the remaining 80%.

Wooden Trellis (\$16,000)

Stone Pilasters in Fence (\$67,600)

Themes in the comments: shade, seating, tables, slide
