

KEN CARYL RANCH OPEN SPACE & PARKS

RULES AND ENFORCEMENT POLICY

Geocaching/Letterbox Placement Guidelines:

1. Geocache/Letterbox site locations are only allowed in Irrigated turf areas i.e. parks and greenbelts. They are not allowed on private and public open space due to social trails becoming established and damaging natural resources.
2. Geocaches/Letterboxes should be independent of any park amenity or facility. They should not be affixed to or placed under or above any structures or improvements on the park.
3. Contents of the Geocache/Letterbox – The Geocache/Letterbox container may not contain food of any type; illegal substances; hazardous materials; profane, obscene, or racist materials, or materials of a sexual nature. Monitoring the contents of the Geocache/Letterbox is the responsibility of the Geocache/Letterbox owner.
4. The Geocache/Letterbox site may not be altered in any manner to better hide the Geocache/Letterbox. Activities that cause destruction of natural resources include but are not limited to digging, cutting branches, scraping soil, and moving rocks.

Rangers will issue a Contact Notice for a Geocache located:

A. Private Open Space:

- KCR Member will be issued a Contact Notice for Rule Violation #28, Geocaches allowed only in irrigated parks and greenbelts.

- Non-KCR Member will be issued a contact notice for Rule #1, Trespassing and #28, Geocaches allowed only in irrigated parks and greenbelts.

B. Public Open Space:

-A KCR Member or Non-Member will be issued a Contact Notice for Rule #28, Geocaches allowed only in irrigated parks and greenbelts.
