# Ken-Caryl Ranch e-News

March 30, 2020

The Ken-Caryl Ranch e-News is emailed to subscribers every Monday (Tuesday if Monday is a holiday). To submit an item for the e-News, contact Allison Hefner at [allisonh@kcranch.org](mailto:allisonh@kcranch.org) or 303-979-1876, ext. 108.

## Program and Facility Closures

Per the Colorado stay-at-home order effective last Thursday, March 26, the following Ken-Caryl Ranch public spaces are closed until further notice:

- Playgrounds
- Tennis Courts
- Disc Golf Course
- Basketball Courts
- Picnic Areas

Ken-Caryl Ranch open space and trails are OPEN for use for Ken-Caryl residents and members only. Individuals or groups of no more than four people may engage in outdoor activity including walking, hiking, biking, running, or other similar activity. In order to ensure everyone's safety, please adhere to the following guidelines when using the open space and trails:

- Do not use if you are exhibiting symptoms.
- Follow the CDC's guidance on personal hygiene prior to visiting.
- Share the trail and warn other trail users of your presence as you pass.
- Always observe the CDC's minimum recommended social distancing of 6 feet from other people.

All Ken-Caryl Ranch facilities are still closed to the public, and limited staff members are working to ensure essential operations continue. All calls will go to voicemail, so please leave a message so staff can respond. At this time, the Master Association and Metro District staff respectfully request the community's patience and understanding as we work to return resident and community phone calls, emails and other communications in a timely manner.

Residents may continue to drop off payments at the Ranch House safely via the building's secured mailbox, located outside by the main entrance doors at the Ranch House. Dates and information may be subject to change. Please stay tuned for additional updates communicated across our social media channels, in the e-News and on our website by clicking on the button below.

## Waste Connections: Trash Pick-up Safety

To protect the safety of our Waste Connections drivers, the following changes to our trash service will take place effective March 27.

- All large cardboard must be cut and placed inside a recycling container, trash container or garbage bag. No boxes can be set on the curb.
- Household trash will be limited to one filled can (either your personal trash can, or the 96-gallon tote provided by Waste Connections) plus up to three additional bags of trash. (You can leave out one filled can and three bags on the side.) If you have yard waste it must be either in your trash can or in the three extra bags.
- Recycling service will be normal, and they will pick up any recycling inside your regular containers. No extra boxes will be picked up from the curb.
- No bulk items may be placed out, such as mattresses, furniture, etc. This will ensure efficient operations and will protect the safety of the drivers.
- Communities with dumpsters will continue to receive the same service. Please be sure all items are placed inside the dumpster, not beside it.
- Small recycling bins may still be used for broken down cardboard and other recyclables.

Thank you for helping keep drivers safe. This is a temporary change and Waste Connections will return to regular pick-up after the crisis.

If you have any questions, please contact Kristen Peterka at [kristenp@kcranch.org](mailto:kristenp@kcranch.org), or leave a message at 303-979-1876, ext. 109.
