Reminder: Current Signage Rule to Remain in Effect

After soliciting community feedback via the newspaper, e-News and

Facebook on the Temporary Signage Posting Rules, and the request for approval to post signs reflecting current social issues, it was voted to keep the Temporary Signage Posting Rules as they currently stand. In fact, 91.5 percent of the feedback received from the community was to keep the current Temporary Signage Posting Rules as they are, with 8.5 percent of feedback received to change the rules as written.

The current rule states that no sign of any kind shall be displayed to the public view without the approval of the Architectural Committee. The purpose of the rule is to avoid clutter, maintain uniformity and create harmony throughout the community and public spaces of Ken-Caryl Ranch.

The Committee will be reviewing and updating the rules to include home security signs, no soliciting signs, invisible fence, decorative signs, safety signs and no trespassing signs and will develop parameters surrounding the posting of said signs, such as placement, aesthetic and size restrictions.

Additionally, residents will have another opportunity to address this rule in the 2021 Resident Survey. We will be including a Temporary Signage Posting Rules question to gain additional community feedback regarding this topic.

Additional questions or feedback can be sent directly to Community Administrator Brian Yowell at briany@kcranch.org.

Reminder: KCR Rangers and CPW Stepping Up Efforts to Keep Residents and Bears Safe

The KCRMA Rangers, in conjunction with Colorado Parks and Wildlife (CPW), have begun ramping up efforts to help educate homeowners to the dangers of potential bear conflicts due to residents not abiding by recommendations, rules and regulations to help keep the community and wildlife safe.

As a result, CPW and our own ranger staff are conducting drive-throughs around the neighborhoods on several evenings and make note of any trash, or recycling put out the night before and/or not secured properly, in addition to noting any open garage doors. CPW has been contacting homeowners directly to address this issue in addition to posting offending streets to Nextdoor.
