## Christmas Tree Recycling After the Holiday

Following the holiday, the Parks Department will once again be accepting Christmas trees for recycling in the designated area in the Brannon Gearhart Park parking lot, off of Valley Parkway.

Please be sure to remove all ornaments, tinsel, wood bases with nails and plastic bags to avoid damaging the tree chipper and minimizing risk of injuries to the operators. Trees will be accepted until Sunday, Jan. 17. The wood chippings generated will be used to mulch tree dishes and planting beds throughout the Park.

Questions? Please email Parks Director Pat Malloy at [patm@kcranch.org](mailto:patm@kcranch.org).

## Calling Rangers with Wildlife Concerns

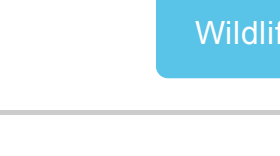

Ken-Caryl Ranch Park Rangers have been receiving several injured wildlife calls in the past few weeks, mainly regarding mule deer.

When a wildlife injury call is received, rangers may investigate or determine over the phone if the animal should be left alone to "let nature take its course", advise to take it to a licensed rehabilitator, or determine if it needs to be euthanized. The rangers use the same policy as Colorado Parks and Wildlife. If a deer/elk is injured but can still feed and walk on its own, then we "let nature take its course." However, if the deer/elk is injured to the point it cannot feed or walk on its own, listing to one side, head/ears lowered, then rangers will respond to euthanize the animal (if on duty), or direct the caller to contact Colorado Parks and Wildlife.

For more information, please visit our website by clicking on the button below. You can also call the KCRMA Rangers at 303-979-1876, ext. 170.
