Pool Pass Purchases!

Have you already purchased your pass? Congratulations! If you don't already have a fob, you should have received your fob in the mail (if purchased before May 22) or you can stop by the Community Center Pool or Front Desk during business hours.

Already have a KC fob? If you have an existing Ken-Caryl Ranch key fob, or had one previously, your individual membership has already been loaded onto that fob. You do not need a new one and one won't be created for pick-up! If other family members do not already have an existing fob, a fob will be created for each family member. Every person will have their own fob (ages 3+), so you'll need to scan each one when entering the pool.

Can't find your fob? Email us at recreation@kcranch.org for a replacement fob.

Not a fan of fobs? Once you get your fobs, take a picture of the bar code on your fob and save to your cell phone. You can use the picture on your cell phone to check into the pool instead of the fob. Just remember, every person has a different bar code, so you'll need to save as many as you have in your family (ages 3+).

So, you haven't purchased your pass? Your best bet to save time is to purchase your pass online, then pick up your fob at the Community Center two business days after purchase (staff will check you in manually in the interim for those two days).

Prefer to purchase at the pool? It's going to take a while, with all the excited patrons checking in. Please purchase your pass online or contact us for assistance!

Questions? Email us at recreation@kcranch.org.
