Questions? cpc@kcranch.org

Take the Community Survey! Your Opinion Counts!

Make your voice heard regarding amenities, open space management, funding and other community matters.

Residents received either an email or postcard last week with an invitation and unique code to complete the survey.

If you don't see an email from matt@coronainsights.com from June 1, or can't find your code, check your spam folder or check other household email accounts. The code was emailed to the first person on your account and may have gone to another family member's email. Still can't find it? Email cpc@kcranch.org.

Stove Prairie Trail Re-alignment

At the recommendation of the Open Space Committee (OSC), in fall of 2020, the Master Association Board approved a conceptual design for re-alignment of Stove Prairie Trail developed by the Volunteer Trail Coordinators (VTCs). Final approval and design for the project has not occurred, and public input is being sought on the potential project. Several residents have asked for more information and expressed initial opinions.
