Staff Spotlight: Meet Zumba Instructor Barb McGuire

"There are so many things I love about Zumba, but my favorite part is how it makes me feel," said Barb. "The fun music and movement and the connection with the awesome people in my classes always fill me with positive energy and start my day off in a great way. I am really grateful I have the opportunity to share my love of dance with my students. I hope my students feel the joy of movement in a fun, and non-intimidating setting and gain all the benefits Zumba has to offer - body, mind and spirit."

Staff Spotlight: Meet Zumba Instructor Nolana McChristian

"I love the community we create," said Nolana. "We all push ourselves a little bit more in fitness when we have friends doing it with us. I also love going on a "world tour" each week as we exercise to Latin, HipHop, Salsa and Disco - just to name a few of the music styles we groove to. I hope my students learn to be fearless - explore what your body can do! Be open to experiencing movement and rhythm in a lot of different ways."
