Ken-Caryl Ranch's Community Special Events Event Sponsorship 2025

Special events organized by the Ken-Caryl Ranch Metropolitan District present a diverse range of sponsorship and partnership opportunities. These events serve as excellent avenues for community engagement and showcasing your support. Each event offers unique opportunities for the community including Pictures with Santa at Holiday Happenings to having a trunk at our Halloween Boo Bash.

All partnerships come with pre-event marketing exposure and on-site recognition during the event. While sponsors with similar business or organizational missions are welcome to support the same event, platinum sponsorships reserve the right to exclusive representation without any other similar business type or mission sponsoring that particular event.

To ensure the comprehensive benefits of your sponsor level, payment for sponsorships is required 45 days prior to the event. It's important to note that promotion for each event may vary and is subject to external factors, which means your information may receive broader visibility than what is specifically outlined below. We invite you to explore these opportunities to connect with the community and make a meaningful impact through our special events.

*Sponsors are assured a minimum level of recognition corresponding to their sponsorship tier. It's important to be aware that not every event-related post will incorporate sponsor details. Listings on our communication channels, like "Save the Dates," will not include attached sponsor information. In instances where multiple sponsors share the same event and sponsorship level, they will be listed in alphabetical order for clarity. **Contact Kate McDonald at KateM@kcranch.org** for general questions.
