★ I have a 5-year-old going into Kindergarten next year. Should I register them for the preschool or school-age camp?

The biggest difference between these camps is the pace and the length. The overall pace of the school-age camp is considered much faster than the preschool camps. The school-age camp is all day (8am-5pm) and the preschool camp is partial day (8:30am-1:30pm). *You know your child best!* If they seem ready for a faster pace and a longer day because they have done something similar in the past, go for the school-age camp. If they are new to a full day away from home or need more downtime during the day, go for the preschool camp.

★ Are there camp options other than the traditional camps above?

Yes! KCR hosts several sports camps and other enrichment camps every summer. To see what school-age enrichment camps are being offered this year, check on the website [here](#).

★ I have a pre-teen/teenager. Does KCR offer camps for this age group?

Yes! The teen camps KCR offers are geared toward students ranging from 6th grade to 10th. The camps offered are one-week long camps with a specific weekly focus. Themes might include: rock climbing, leadership, counselor-in-training, and adventure camps. These camps are found online [here](#).

The remaining balance will be automatically put on a monthly payment plan. Those payment plan details will be found at the bottom of your receipt. A credit card must be kept on file to auto-charge on your payment due dates.

School-age camps: Hours of camp are 8:00am to 5:00pm, drop-off is 8:00-9:00am and pick-up is 4:00-5:00pm

Pre-school camps: Hours of camp are 8:30am to 1:30pm, drop-off is 8:30-9:00 am and pick-up is 1-1:30pm

★ Why are preschool camp hours different from the school-age camps?

Due to the active nature of camp, early childhood age appropriateness, and feedback we have determined these hours will provide the most successful environment for the participants and the staff.

★ Are camp swim lessons offered during summer camp hours?

More information about swim lesson offerings will be available on the camp webpages prior to registration.
